CHARTER SCHOOL OVERSIGHT

Note: The following **optional** policy may be revised to reflect district practice. The Governing Board is obligated to monitor the performance of any charter school it authorizes in order to ensure the school's compliance with legal requirements and progress toward meeting measurable outcomes specified in the charter. Information about the school's performance is necessary when determining whether to grant a renewal of the charter or whether a revocation of the charter is warranted; see BP 0420.42 - Charter School Renewal and BP 0420.43 - Charter School Revocation. In addition, pursuant to Education Code 47604, if the district complies with all oversight responsibilities required by law, it will not be liable for the debts or obligations of any charter school that operates as or is operated by a nonprofit public benefit corporation pursuant to Corporations Code 5110-6910.

Pursuant to Education Code 47605, if the State Board of Education (SBE) approves a petition upon appeal after the Board and County Board of Education have denied the petition, the SBE may, by mutual agreement, designate its supervisorial and oversight responsibilities to the Board or to any local educational agency in the county in which the charter school is located.

The Governing Board recognizes its ongoing responsibility to oversee that any charter school authorized by the Board is successfully fulfilling the terms of its charter and is providing a high-quality educational program for students enrolled in the charter school.

(cf. 0420.4 - Charter School Authorization)

(cf. 0500 - Accountability)

The Superintendent or designee shall identify at least one staff member to serve as a contact person for each charter school authorized by the Board. (Education Code 47604.32)

The Superintendent or designee shall visit each charter school at least annually and may inspect or observe any part of the charter school at any time. (Education Code 47604.32, 47607)

The Superintendent or designee shall attend meetings of the charter school governing body whenever possible and shall periodically meet with a representative of the charter school.

Waivers

If the charter school wishes to request a general waiver of any state law or regulation applicable to it, it shall request that the district submit a general waiver request to the State Board of Education (SBE) on its behalf. Upon approval of the Board, the Superintendent or designee shall submit such a waiver request to the SBE on behalf of the charter school.

(cf. 1431 - Waivers)

CHARTER SCHOOL OVERSIGHT (continued)

Provision of District Services

The charter school may purchase administrative or other services from the district or any other source. (Education Code 47613)

Whenever the district agrees to provide administrative or support services, the district and charter school shall develop a memorandum of understanding which clarifies the financial and operational agreements between the district and charter school.

At the request of a charter school, the Superintendent or designee shall create and submit any reports required by the State Teachers' Retirement System or Public Employees' Retirement System on behalf of the charter school. The district may charge the charter school for the actual costs of the reporting services, but shall not require the charter school to purchase payroll processing services from the district as a condition for creating and submitting these reports. (Education Code 47611.3)

Material Revisions to Charter

Material revisions to a charter may only be made with Board approval. Material revisions shall be governed by the same standards and criteria that apply to new charter petitions as set forth in Education Code 47605 and shall include, but not be limited to, a reasonably comprehensive description of any new requirement for charter schools enacted into law after the charter was originally granted or last renewed. (Education Code 47607)

If an approved charter school proposes to establish or move operations to one or more additional sites, the charter school shall request a material revision to its charter and shall notify the Board of those additional locations. The Board shall consider approval of the additional locations at an open meeting. (Education Code 47605)

The Board shall have the authority to determine whether a proposed change in charter school operations constitutes a material revision of the approved charter.

Monitoring Charter School Performance

The Superintendent or designee shall monitor the charter school to determine whether it complies with all legal requirements applicable to charter schools, including making all reports required of charter schools in accordance with Education Code 47604.32. Any violations of law shall be reported to the Board.

CHARTER SCHOOL OVERSIGHT (continued)

The Board shall monitor the charter school to determine whether it is achieving the measurable student outcomes set forth in the charter, both schoolwide and for each numerically significant student subgroup served by the school, as defined in Education Code 52052. This determination shall be based on the measures specified in the approved charter petition and any applicable memorandum of understanding, and on the charter school's annual review and assessment of its progress toward the goals and actions identified in its local control and accountability plan (LCAP), as reported in the California School Dashboard.

The Board shall monitor the fiscal condition of the charter school based on any financial information obtained from the charter school, including, but not limited to, the charter school's preliminary budget, annual update of the charter school's LCAP, first and second interim financial reports, and final unaudited report for the full prior year. (Education Code 47604.32, 47604.33, 47606.5)

The district may charge up to one percent of a charter school's revenue for the actual costs of supervisory oversight of the school. However, if the district is able to provide substantially rent-free facilities to the charter school, the district may charge up to three percent of the charter school's revenue for actual costs of supervisory oversight or, if the facility is provided under Education Code 47614, the pro-rata share facilities costs calculated pursuant to 5 CCR 11969.7. If the district charges the pro-rata share, it may also charge one percent of the charter school's revenue in oversight fees. (Education Code 47613)

(cf. 7160 - Charter School Facilities)

Technical Assistance/Intervention

If, in three out of four consecutive school years, a charter school fails to improve outcomes for three or more numerically significant student subgroups, or for all of the student subgroups if the school has fewer than three subgroups, in regard to one or more state or school priorities identified in the charter, the district: (Education Code 47607.3)

1. Shall provide technical assistance to the charter school based on the California School Dashboard
2. May request that the Superintendent of Public Instruction (SPI), with SBE approval, assign the California Collaborative for Educational Excellence to provide advice and assistance to the charter school pursuant to Education Code 52074

CHARTER SCHOOL OVERSIGHT (continued)

In accordance with law, the Board may deny a charter school's renewal petition or may revoke a charter based on the charter school's poor performance, especially with regard to the academic achievement of all numerically significant subgroups of students served by the charter school.

(cf. 0420.42 - Charter School Renewal)

(cf. 0420.43 - Charter School Revocation)

Complaints

Each charter school shall establish and maintain policies and procedures to enable any person to file a complaint, in accordance with the uniform complaint procedures as specified in 5 CCR 4600-4670, alleging the school's noncompliance with Education Code 47606.5 or 47607.3. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

A complainant who is not satisfied with the decision may appeal the decision to the SPI. (Education Code 52075)

If the charter school finds merit in the complaint or the SPI finds merit in an appeal, a remedy shall be provided to all affected students and parents/guardians. (Education Code 52075)

School Closure

In the event that the Board revokes or denies renewal of a charter or the charter school ceases operation for any reason, the Superintendent or designee shall, when applicable in accordance with the charter and/or a memorandum of understanding, provide assistance to facilitate the transfer of the charter school's former students and to finalize financial reporting and close-out.

The Superintendent or designee shall provide notification to the California Department of Education, within 10 calendar days of the Board's action, if renewal of the charter is denied, the charter is revoked, or the charter school will cease operation for any reason.

Such notification shall include, but not be limited to, a description of the circumstances of the closure, the effective date of the closure, and the location of student and personnel records. (Education Code 47604.32; 5 CCR 11962.1)

Philosophy, Goals, Objectives, and Comprehensive Plans

BP 0460(a)

LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Governing Board desires to ensure the most effective use of available funding to improve outcomes for all students. A comprehensive, data-driven planning process shall be used to identify annual goals and specific actions which are aligned with the district budget and facilitate continuous improvement of district practices.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 0415 - Equity)

The Board shall adopt a districtwide local control and accountability plan (LCAP), based on the template adopted by the State Board of Education, that addresses the state priorities in Education Code 52060 and any local priorities adopted by the Board. The LCAP shall be updated on or before July 1 of each year and, like the district budget, shall cover the next fiscal year and two subsequent fiscal years. (Education Code 52060, 52064; 5 CCR 15494-15497)

(cf. 3100 - Budget)

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" or are part of any numerically significant student subgroup that is at risk of or is underperforming.

Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth, as defined in Education Code 42238.01 for purposes of the local control funding formula (LCFF). (Education Code 42238.02)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 6173.1 - Education for Foster Youth)

(cf. 6174 - Education for English Learners)

Numerically significant student subgroups include ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students, when there are at least 30 students in the subgroup or at least 15 foster youth or homeless students. (Education Code 52052)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

(cf. 6173 - Education for Homeless Children)

The Superintendent or designee shall review the school plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP are consistent with strategies included in the SPSA. (Education Code 52062)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

(cf. 0420 - School Plans/Site Councils)

The LCAP shall also be aligned with other district and school plans to the extent possible in order to minimize duplication of effort and provide clear direction for program implementation.

(cf. 0400 - Comprehensive Plans)

(cf. 0440 - District Technology Plan)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 5030 - Student Wellness)

(cf. 6171 - Title I Programs)

(cf. 7110 - Facilities Master Plan)

As part of the LCAP adoption and annual update to the LCAP, the Board shall adopt an LCFF budget overview for parents/guardians, based on the template developed by the SBE, which includes specified information relating to the district's budget. The budget overview shall be adopted, reviewed, and approved in the same manner as the LCAP and the annual update. (Education Code 52064.1)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

(cf. 1312.3 - Uniform Complaint Procedures)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the number of students in student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. Consultation with students shall enable unduplicated students and other numerically significant student subgroups to review and comment on LCAP development and may include surveys of students, student forums, student advisory committees, and/or meetings with student government bodies or other groups representing students. (Education Code 52060; 5 CCR 15495)

(cf. 1220 - Citizen Advisory Committees)

(cf. 4140/4240/4340 - Bargaining Units)

(cf. 6020 - Parent Involvement)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

Public Review and Input

The Board shall establish a parent advisory committee to review and comment on the LCAP. The committee shall be composed of a majority of parents/guardians and shall include parents/guardians of unduplicated students as defined above. (Education Code 52063; 5 CCR 15495)

Whenever district enrollment includes at least 15 percent English learners, with at least 50 students who are English learners, the Board shall establish an English learner parent advisory committee composed of a majority of parents/guardians of English learners to review and comment on the LCAP. (Education Code 52063; 5 CCR 15495)

The Superintendent or designee shall present the LCAP to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

(cf. 5145.6 - Parental Notifications)

As part of the parent/guardian and community engagement process, the district shall solicit input on effective and appropriate instructional methods, including, but not limited to, establishing language acquisition programs to enable all students, including English learners and native English speakers, to have access to the core academic content standards and to become proficient in English. (Education Code 305-306)

The Superintendent or designee shall consult with the administrator(s) of the special education local plan area of which the district is a member to ensure that specific actions for students with disabilities are included in the LCAP and are consistent with strategies included in the annual assurances support plan for the education of students with disabilities. (Education Code 52062)

(cf. 0430 - Comprehensive Local Plan for Special Education)

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. The public hearing shall be held at the same meeting as the budget hearing required pursuant to Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

(cf. 9320 - Meetings and Notices)

Adoption of the Plan

The Board shall adopt the LCAP prior to adopting the district budget, but at the same public meeting. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP, the district budget, and the LCFF budget overview for parents/guardians, the Board shall file the LCAP, the budget, and the budget overview with the County Superintendent of Schools. (Education Code 42127, 52064.1, 52070)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

If the County Superintendent does not approve the district's LCAP, the Board shall accept technical assistance from the County Superintendent focused on revising the plan so that it can be approved. (Education Code 52071)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by the Superintendent and the Board, regarding the district's progress toward attaining each goal identified in the LCAP. Evaluation shall include, but not be limited to, an assessment of district and school performance reported on the California School Dashboard. Evaluation data shall be used to recommend any necessary revisions to the LCAP.

LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

(cf. 0500 - Accountability)

Technical Assistance/Intervention

At its discretion, the Board may submit a request to the County Superintendent for technical assistance, including, but not limited to: (Education Code 52071)

1. Assistance in identifying district strengths and weaknesses in regard to state priorities, which includes the review of performance data on the state and local indicators included in the Dashboard and other relevant local data, and in identifying effective, evidence-based programs or practices that address any areas of weakness
2. Assistance from an academic, programmatic, or fiscal expert, or team of experts, in identifying and implementing effective programs and practices that are designed to improve performance in any identified areas of weakness. The district may engage other service providers, including, but not limited to, other school districts, county offices of education, or charter schools, to provide such assistance.

If the County Superintendent offers the district technical assistance in the event that one or more the district's numerically significant student subgroups are identified based on performance criteria established pursuant to Education Code 52064.5, the Board shall provide the County Superintendent timely documentation of the district's completion of activities listed in items #1-2 above, maintain regular communication with the County Superintendent, and take all necessary steps to ensure district compliance with other requirements specified in Education Code 52071.

If referred to the California Collaborative for Educational Excellence by either the County Superintendent or the Superintendent of Public Instruction (SPI), the district shall implement the recommendations of that agency in order to accomplish the goals set forth in the district's LCAP. (Education Code 52071, 52074)

If the SPI identifies the district as needing intervention, the district shall cooperate with any action taken by the SPI or any academic advisor appointed by the SPI, which may include one or more of the following: (Education Code 52072)

1. Revision of the district's LCAP
2. Revision of the district's budget in accordance with changes in the LCAP

ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if he/she is different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

UNIFORM COMPLAINT PROCEDURES

The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent, if applicable, if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the result of an investigation. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

UNIFORM COMPLAINT PROCEDURES

c. A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.

e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

f. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

i. A foster youth, homeless student, or former juvenile court school student who transfers into a district high school or between district high schools as applicable shall be notified of the district's responsibility to:

(1) Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed

UNIFORM COMPLAINT PROCEDURES

(2) Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency

(3) If the student has completed his/her second year of high school before the transfer, provide the student information about district-adopted coursework and Board-imposed graduation requirements from which he/she may be exempted pursuant to Education Code 51225.1

j. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 calendar days of receiving the district's decision.

k. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

l. Copies of the district's UCP are available free of charge.

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the district web site and may be provided through district-supported social media, if available.

In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

UNIFORM COMPLAINT PROCEDURES

District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject to the UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

UNIFORM COMPLAINT PROCEDURES

3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

UNIFORM COMPLAINT PROCEDURES

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

UNIFORM COMPLAINT PROCEDURES

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant, and respondent if there is one, a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

UNIFORM COMPLAINT PROCEDURES

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:

- a. Statements made by any witnesses
- b. The relative credibility of the individuals involved
- c. How the complaining individual reacted to the incident
- d. Any documentary or other evidence relating to the alleged conduct
- e. Past instances of similar conduct by any alleged offenders
- f. Past false allegations made by the complainant

2. The conclusion(s) of law

3. Disposition of the complaint

4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. How the misconduct affected one or more students' education
- b. The type, frequency, and duration of the misconduct
- c. The relationship between the alleged victim(s) and offender(s)
- d. The number of persons engaged in the conduct and at whom the conduct was directed
- e. The size of the school, location of the incidents, and context in which they occurred
- f. Other incidents at the school involving different individuals

5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

UNIFORM COMPLAINT PROCEDURES

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

This exemption allows a district to withhold a record based on analysis of the specific facts of the situation and in light of the competing public interests. This exemption also includes the "deliberative process privilege" which is designed to protect a district's decision-making process in order to encourage candid discussions within the district. Legal counsel should be consulted to determine whether a request for a record falls under this exemption.

17. Any other records for which the district can demonstrate that, based on the particular facts of the case, the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record (Government Code 6255)

Inspection of Records and Requests for Copies

Any person may request a copy or inspection of any district record that is open to the public and not exempt from disclosure. (Government Code 6253)

Within 10 days of receiving any request to inspect or copy a district record, the Superintendent or designee shall determine whether the request seeks release of a disclosable public record in the district's possession. The Superintendent or designee shall promptly inform the person making the request of the determination and the reasons for the decision. (Government Code 6253)

In unusual circumstances, the Superintendent or designee may extend the 10-day limit for up to 14 days by providing written notice to the requester and setting forth the reasons for the extension and the date on which a determination is expected to be made. Unusual circumstances include the following, but only to the extent reasonably necessary to properly process the request: (Government Code 6253)

1. The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request
2. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request
3. The need for consultation, which shall be conducted with all practicable speed, with

ACCESS TO DISTRICT RECORDS (continued)

another agency (e.g., a state agency or city) having a substantial interest in the determination of the request or among two or more components of the district (e.g., two different school sites) with substantial interest in the request

4. In the case of electronic records, the need to compile data, write programming language or a computer program, or construct a computer report to extract data

If the Superintendent or designee determines that the request seeks disclosable public records, the determination shall state the estimated date and time when the records will be made available. (Government Code 6253)

Public records shall be open to inspection at all times during district office hours. Any reasonably segregable portion of a record shall be made available for inspection by any person requesting the record after deletion of the portions that are exempted by law. (Government Code 6253)

Upon request for a copy that reasonably describes an identifiable record, an exact copy shall be promptly provided unless it is impracticable to do so. (Government Code 6253)

The Superintendent or designee shall charge an amount for copies that reflects the direct costs of duplication. Written requests to waive the fee shall be submitted to the Superintendent or designee.

In addition to maintaining public records for public inspection during district office hours, the district may comply with public records requests by posting any public record on the district's web site and, in response to a public records request, directing the member of the public to the location on the web site where the record can be found. However, if the member of the public is unable to access or reproduce the record from the web site, the district shall promptly provide an exact copy of the public record upon payment of duplication fees, if applicable, unless it is impracticable to provide an exact copy. (Government Code 6253)

If any person requests that a public record be provided in an electronic format, the district shall make that record available in any electronic format in which it holds the information. The district shall provide a copy of the electronic record in the format requested as long as the requested format is one that has been used by the district to create copies for its own use or for use by other agencies. (Government Code 6253.9)

The cost of duplicating an electronic record shall be limited to the direct cost of producing a copy of the record in electronic format. However, the requester shall bear the cost of producing the copy of the electronic record, including the cost to construct the record and the cost of programming and computer services necessary to produce the copy, under the following circumstances: (Government Code 6253.9)

ACCESS TO DISTRICT RECORDS (continued)

1. The electronic record is one that is produced only at otherwise regularly scheduled intervals.
2. The request would require data compilation, extraction, or programming to produce the record.

Assistance in Identifying Requested Records

If the Superintendent or designee denies a request for disclosable records, the requester shall be assisted in making a focused and effective request that reasonably describes an identifiable record. To the extent reasonable under the circumstances, the Superintendent or designee shall do all of the following: (Government Code 6253.1)

1. Assist in identifying records and information responsive to the request or the purpose of the request, if specified

If, after making a reasonable effort to elicit additional clarifying information from the requester to help identify the record, the Superintendent or designee is still unable to identify the information, this requirement shall be deemed satisfied.

2. Describe the information technology and physical location in which the records exist
3. Provide suggestions for overcoming any practical basis for denying access to the records or information sought

Provisions of the Public Records Act shall not be construed so as to delay or obstruct the inspection or copying of public records. Any notification denying a request for public records shall state the name and title of each person responsible for the denial. (Government Code 6253)

The district budget shall guide decisions and actions throughout the year and shall serve as a tool for monitoring the fiscal health of the district.

(cf. 0000 - Vision)
(cf. 0200 - Goals for the School District)
(cf. 0400 - Comprehensive Plans)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 3300 - Expenditures and Purchases)
(cf. 3460 - Financial Reports and Accountability)
(cf. 9000 - Role of the Board)

The district budget shall show a complete plan and itemized statement of all proposed expenditures and all estimated revenues for the following fiscal year, together with a comparison of revenues and expenditures for the current fiscal year. The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

Budget Development and Adoption Process

In order to provide guidance in the development of the budget, the Board shall annually establish budget priorities based on identified district needs and goals and on realistic projections of available funds.

The Superintendent or designee shall oversee the preparation of a proposed district budget for approval by the Board and shall involve appropriate staff in the development of budget projections.

The Board shall hold a public hearing on the proposed budget in accordance with Education Code 42103 and 42127. The hearing shall occur at the same meeting as the public hearing on the district's LCAP and the local control funding formula (LCFF) budget overview for parents/guardians. (Education Code 42103, 42127, 52062, 52064.1)

(cf. 9320 - Meetings and Notices)
(cf. 9322 - Agenda/Meeting Materials)
(cf. 9323 - Meeting Conduct)

BUDGET (continued)

The Board shall adopt the district budget at a public meeting held after the date of the public hearing but on or before July 1 of each year. The Board shall adopt the budget following its adoption of the LCAP, or annual update to the LCAP, and the LCFF budget overview for parents/guardians. The budget shall include the expenditures necessary to implement the LCAP or the annual update to the LCAP. (Education Code 42127, 52062)

The budget that is presented at the public hearing as well as the budget formally adopted by the Board shall adhere to the state's Standardized Account Code Structure as prescribed by the Superintendent of Public Instruction (SPI). (Education Code 42126, 42127)

The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

No later than five days after the Board adopts the district budget or by July 1, whichever occurs first, the Board shall file the adopted district budget with the County Superintendent of Schools. The budget and supporting data shall be maintained and made available for public review. (Education Code 42127)

(cf. 1340 - Access to District Records)

If the County Superintendent disapproves or conditionally approves the district's budget, the Board shall review and respond to the County Superintendent's recommendations at a regular public meeting on or before October 8. The response shall include any revisions to the adopted budget and any other proposed actions to be taken as a result of those recommendations. (Education Code 42127)

Budget Advisory Committee

The Superintendent or designee may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.

The committee may submit recommendations during the budget development process and its duties shall be assigned each year based on district needs. All recommendations of the committee shall be advisory only and shall not be binding on the Board.

(cf. 2230 - Representative and Deliberative Groups)

(cf. 3350 - Travel Expenses)

(cf. 9130 - Board Committees)

(cf. 9140 - Board Representatives)

BUDGET (continued)**Budget Criteria and Standards**

The district budget shall be developed in accordance with state criteria and standards specified in 5 CCR 15440-15450 as they relate to projections of average daily attendance (ADA), enrollment, ratio of ADA to enrollment, LCFF revenue, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, fund balance, and reserves. In addition, the Superintendent or designee shall provide the supplemental information specified in 5 CCR 15451 which addresses the methodology and budget assumptions used, contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, status of collective bargaining agreements, the LCAP, and LCAP expenditures. (Education Code 33128, 33129, 42127.01; 5 CCR 15440-15451)

The district budget shall provide for increased or improved services for unduplicated students at least in proportion to the increase in funds apportioned on the basis of the number and concentration of unduplicated students in accordance with 5 CCR 15496. *Unduplicated students* are students who are eligible for free or reduced-price meals, English learners, and/or foster youth. (Education Code 42238.07; 5 CCR 15496)

(cf. 3553 - *Free and Reduced Price Meals*)
 (cf. 6173.1 - *Education for Foster Youth*)
 (cf. 6174 - *Education for English Learners*)

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, program requirements, and any other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

(cf. 2210 - *Administrative Discretion Regarding Board Policy*)
 (cf. 3110 - *Transfer of Funds*)

Fund Balance

The district shall classify fund balances in compliance with Governmental Accounting Standards Board (GASB) Statement 54, as follows:

1. *Nonspendable fund balance* includes amounts that are not expected to be converted to cash, such as resources that are not in a spendable form (e.g., inventories and prepaids) or that are legally or contractually required to be maintained intact.
2. *Restricted fund balance* includes amounts constrained to specific purposes by their providers or by law.

BUDGET (continued)

3. *Committed fund balance* includes amounts constrained to specific purposes by the Board.

For this purpose, all commitments of funds shall be approved by a majority vote of the Board. The constraints shall be imposed no later than the end of the reporting period (June 30), although the actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements.

4. *Assigned fund balance* includes amounts which are intended for a specific purpose but do not meet the criteria to be classified as restricted or committed.

The Board delegates authority to assign funds to the assigned fund balance to the Superintendent and authorizes the assignment of such funds to be made any time prior to the issuance of the financial statements. The Superintendent shall have discretion to further delegate the authority to assign funds.

5. *Unassigned fund balance* includes amounts that are available for any purpose.

When multiple types of funds are available for an expenditure, the district shall first utilize funds from the restricted fund balance as appropriate, then from the committed fund balance, then from the assigned fund balance, and lastly from the unassigned fund balance.

The Board intends to maintain a minimum assigned and unassigned fund balance in an amount the Board deems sufficient to maintain fiscal solvency and stability and to protect the district against unforeseen circumstances.

If the assigned and unassigned fund balance falls below the level set by the Board due to an emergency situation, unexpected expenditures, or revenue shortfalls, the Board shall develop a plan to recover the fund balance which may include dedicating new unrestricted revenues, reducing expenditures, and/or increasing revenues or pursuing other funding sources.

Reserve Balance

The district budget shall include a minimum reserve balance for economic uncertainties that is consistent with the percentage or amount specified in 5 CCR 15450.

In any year following the fiscal year in which the district is notified by the SPI that the amount of monies in the state Public School System Stabilization Account equals or exceeds three percent of the combined total of general fund revenues appropriated for school districts and allocated local proceeds of taxes, the district budget shall not contain a combined assigned or unassigned ending general fund balance that is in excess of 10 percent of these funds, unless the requirement is waived in accordance with Education Code 42127.01. (Education Code 42127.01)

BUDGET (continued)

Long-Term Financial Obligations

The district's current-year budget and multiyear projections shall include adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

(cf. 4141/4241 - Collective Bargaining Agreement)
(cf. 4154/4254/4354 - Health and Welfare Benefits)
(cf. 7210 - Facilities Financing)
(cf. 9250 - Remuneration, Reimbursement and Other Benefits)

The Board may approve a plan for meeting the district's long-term obligations to fund contributions to the California Public Employees' Retirement System (CalPERS) which, to the extent possible, minimizes significant increases in annual general fund expenditures towards pension obligations. The plan may include prefunding required pension contributions through the California Employers' Pension Prefunding Trust Program pursuant to Government Code 21710-21716.

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

The Superintendent or designee shall annually present a report to the Board on the estimated accrued but unfunded cost of OPEBs. As a separate agenda item at the same meeting, the Board shall disclose whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

The Superintendent or designee shall annually presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims and the actuarial reports upon which the estimated costs are based. As a separate agenda item at the same meeting, the Board shall disclose whether it will reserve in the budget sufficient amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

BUDGET (continued)

Budget Amendments

No later than 45 days after the Governor signs the annual Budget Act, the Superintendent or designee shall make available for public review any revisions in budgeted revenues and expenditures which occur as a result of the funding made available by that Budget Act. (Education Code 42127)

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval as necessary when collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

Complaint Procedure

Any complaint alleging unlawful discrimination or harassment shall be addressed in accordance with the following procedures:

1. **Notice and Receipt of Complaint:** A complainant may inform a direct supervisor, another supervisor, the coordinator, the Superintendent or, if available, a complaint hotline or an ombudsman. The employee's direct supervisor may be bypassed in filing a complaint where the supervisor is the subject of the complaint.

The complainant may file a written complaint in accordance with this procedure or may first attempt to resolve the situation informally with the employee's supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the coordinator, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

2. **Investigation Process:** The coordinator shall initiate an impartial investigation of an allegation of discrimination or harassment within five business days of receiving notice of the alleged discriminatory or harassing behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The coordinator shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The coordinator shall inform the complainant that the investigation of the allegations will be fair, timely, and thorough and will be conducted in a manner that provides all parties due process and reaches reasonable conclusions based on the evidence collected. The coordinator shall also inform the parties that the investigation will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective investigation.

(cf. 3580 - District Records)

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

If the coordinator determines that a detailed fact-finding investigation is necessary, the investigation shall begin immediately. As part of this investigation, the coordinator should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

NONDISCRIMINATION IN EMPLOYMENT (continued)

The coordinator shall track and document the progress of the investigation to ensure reasonable progress and shall inform the parties as necessary.

When necessary to carry out the investigation or to protect employee safety, the coordinator may discuss the complaint with the Superintendent or designee, district legal counsel, or the district's risk manager.

The coordinator shall also determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents are prevented. The coordinator shall ensure that such interim measures do not constitute retaliation.

3. **Written Report on Findings and Remedial/Corrective Action:** No more than 20 business days after receiving the complaint, the coordinator shall conclude the investigation and prepare a written report of the findings. This timeline may be extended for good cause. If an extension is needed, the coordinator shall notify the parties and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report shall also include any corrective action(s) that have been or will be taken to address the behavior, provide appropriate options for remedial actions and resolutions for the complainant, and ensure that retaliation or further discrimination or harassment is prevented. The report shall be presented to the Superintendent or designee.

A summary of the findings shall be presented to the complainant, and the person accused.

4. **Appeal to the Governing Board:** The complainant or the person accused may appeal any findings to the Board within 10 business days of receiving the written report of the coordinator's findings. PERSONAL ILLNESS/INJURY LEAVE (continued)

6. Need of the employee to bond with a child within one year of the child's birth, adoption, or foster care placement (parental leave) (Education Code 44977.5; Government Code 12945.2, 12945.6; 29 USC 2612; 29 CFR 825.112)
7. Need of the employee or employee's family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Labor Code 233, 246.5)
8. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and/or 230.1(a) for the health, safety, or welfare of the employee or the employee's child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave that would be accrued during six months at the employee's then current rate of entitlement. (Labor Code 233)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee shall reimburse the district for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

(Education Code 44979, 44980)

PERSONAL ILLNESS/INJURY LEAVE (continued)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a certificated employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 10 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or more by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time worked. (Education Code 44978.2)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of the disability application to the U.S. Department of Veterans Affairs or on the first day the employee begins or returns to employment after active duty, whichever is later. When the employee receives the disability rating decision, the employee shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 10-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 44978.2)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 44978.2)

Notification of Absence

An employee shall notify the district of the need to be absent as soon as such need is known, so that substitute services may be secured. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which the employee intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

(cf. 4121 - Temporary/Substitute Personnel)

PERSONAL ILLNESS/INJURY LEAVE (continued)

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

During each school year, when a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and, due to illness or accident, continues to be absent for an additional period of up to five school months, the district shall deduct from the employee's regular salary for that period the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that would have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

Absence Beyond Five-Month Period/Reemployment List

If a certificated employee is not medically able to return to work after the five-month period provided pursuant to Education Code 44977, the employee shall be placed either in another position or on a reemployment list. Placement on the reemployment list shall be for 24 months for probationary employees or 39 months for permanent employees and shall begin at the expiration of the five-month period. If during this time the employee becomes medically able, the employee shall be returned to employment in a position for which the employee is credentialed and qualified. (Education Code 44978.1)

(cf. 4116 - Probationary/Permanent Status)

Parental Leave

During each school year, a certificated employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period of up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code 44977.5)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 44977.5)

PERSONAL ILLNESS/INJURY LEAVE (continued)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay of at least 50 percent of the employee's regular salary for the remainder of the 12 work weeks. (Education Code 44977.5)

Parental leave taken pursuant to Education Code 44977.5 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 44977.5; Government Code 12945.2, 12945.6)

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to the employee's immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information. Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from a physician stating that the employee is able to return to duty and stipulating any necessary restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

BP 5117(a)

INTERDISTRICT ATTENDANCE

The Governing Board recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

(cf. 5111.1 - District Residency)

(cf. 5116.1 - Intradistrict Open Enrollment)

Interdistrict Attendance Agreements and Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

The Board shall, by resolution, annually establish the number of students who will be accepted into the district through this program based on recommendations by the Superintendent or designee as to the number of transfer students the district will be able to accept and the schools, grades, and programs that will be able to accept the students. Once established, the district shall accept all students who apply to transfer into the district until the district is at maximum capacity, as required pursuant to Education Code 48301.

Students shall be admitted to district schools through an unbiased process that prohibits an inquiry into or evaluation or consideration of whether or not a student should be enrolled based upon the student's academic or athletic performance, physical condition, proficiency in English, any of the individual characteristics set forth in Education Code 200, or family income. (Education Code 48301)

If the number of transfer applications exceeds the number of transfers the Board has elected to accept, approval for transfer shall be determined by a random drawing held in public at a regularly scheduled Board meeting. (Education Code 48301)

INTERDISTRICT ATTENDANCE (continued)

Because the district admits students in accordance with the school district of choice program, the Superintendent or designee shall not admit students based on individual interdistrict attendance permits pursuant to Education Code 46600-46610 except under extraordinary circumstances.

The Superintendent or designee shall keep an accounting of all requests for admittance and a record of their disposition, including, but not limited to, all of the following: (Education Code 48313)

1. The number of requests granted, denied, or withdrawn and, for denied requests, the reason for the denial
2. The number of students transferred into and out of the district pursuant to this program
3. The race, ethnicity, gender, self-reported socioeconomic status, eligibility for free or reduced-price meals, and the district of residence for each student transferred into or out of the district pursuant to this program
4. The number of students transferred into or out of the district pursuant to this program who are classified as English learners or students with disabilities
5. As applicable, the number of students described in items #3 and 4 above who are provided transportation assistance to a district school or program, and the total number of students provided transportation assistance, pursuant to the school district of choice program

The Superintendent or designee shall report to the Board, at a regularly scheduled meeting, the information specified in items #1-5 above. No later than October 15 of each year, the Superintendent or designee shall provide the same information for the current school year, as well as information regarding the district's status as a school district of choice in the upcoming school year, to each geographically adjacent school district, the county office of education, and the Superintendent of Public Instruction. (Education Code 48313)

The district's compliance with specified program requirements shall be reviewed as part of the annual district audit conducted pursuant to Education Code 41020. (Education Code 48301)

(cf. 3460 - Financial Reports and Accountability)

INTERDISTRICT ATTENDANCE (continued)

Transportation

The district shall not provide transportation beyond any school attendance area. Upon request of a student's parent/guardian, the Superintendent or designee may authorize transportation for an interdistrict transfer student to and from designated bus stops within the attendance area of the school that the student attends if space is available.

INTERDISTRICT ATTENDANCE

Interdistrict Attendance Agreements and Permits

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student of either district to enroll in the other district may be issued upon approval of both districts.

The district shall post on its web site the procedures and timelines for requesting an interdistrict transfer permit, including a link to BP 5117 - Interdistrict Attendance. The posted information shall include, but is not limited to: (Education Code 46600.1, 46600.2)

1. The date upon which the district will begin accepting and processing interdistrict transfer requests for the following school year
2. The reasons for which the district may approve or deny a request, and any information or documents that must be submitted as supporting evidence
3. If applicable, the process and timelines by which a denial of a request may be appealed within the district before the district renders a final decision
4. A statement that failure of a parent/guardian to meet any timelines established by the district shall be deemed an abandonment of the request
5. Applicable timelines for processing a request, including the following statements:
 - a. For an interdistrict transfer request received by the district 15 or fewer calendar days before the commencement of instruction in the school year for which the transfer is sought, the district will notify the parent/guardian of its final decision within 30 calendar days from the date the request was received.
 - b. For an interdistrict transfer request received by the district more than 15 days before the commencement of instruction in the school year for which the interdistrict transfer is sought, the district will notify the parent/guardian of its final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction in the school year for which transfer is sought.
6. The conditions under which an existing interdistrict transfer permit may be revoked or rescinded

INTERDISTRICT ATTENDANCE (continued)

Priority for interdistrict attendance shall be given to a student who has been determined by staff of either the district of residence or district of proposed enrollment to be a victim of an act of bullying, as defined in Education Code 48900(r), committed by a student of the district of residence. (Education Code 46600)

(cf. 5131.2 - Bullying)

In addition, the Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. To meet the child care needs of the student, only as long as the student's child care provider remains within district boundaries

(cf. 5148 - Child Care and Development)

2. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel

(cf. 6159 - Individualized Education Program)

3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance

4. To allow the student to complete a school year when the student's parents/guardians have moved out of the district during that year

5. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school

6. To allow a high school senior to attend the same school attended as a junior, even if the student's family moved out of the district during the junior year

7. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the school year in the district

8. When the student will be living out of the district for one year or less

9. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5113.12 - District School Attendance Review Board)

INTERDISTRICT ATTENDANCE (continued)

10. When there is valid interest in a particular educational program not offered in the district of residence
11. To provide a change in school environment for reasons of personal and social adjustment

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district shall not deny continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

If the transfer request is for a school year that begins within 15 calendar days of the receipt of the request, the Superintendent or designee shall notify the parent/guardian of the final decision within 30 calendar days of receiving the request. If the transfer request is for a school year that begins more than 15 calendar days after the receipt of the request, the parent/guardian shall be notified of the final decision as soon as possible, but no later than 14 calendar days after the commencement of instruction during that school year. (Education Code 46600.2)

If a student's interdistrict transfer request is denied, the Superintendent or designee shall, in writing, notify the parents/guardians of their right to appeal to the County Board of Education within 30 calendar days from the date of the final denial. (Education Code 46600.2)

(cf. 5145.6 - Parental Notifications)

All notices to parents/guardians regarding the district's decision on any request for interdistrict transfer shall conform to the translation requirements of Education Code 48985, and may be provided by regular mail, electronic format if the parent/guardian provides an email address, or by any other method normally used to communicate with parents/guardians in writing. (Education Code 46600.2)

Pending a decision by the two districts or by the County Board on appeal, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months, provided the district is the district of proposed enrollment. If the decision has not been rendered by the conclusion of two school months and the districts or County Board is still operating within the prescribed timelines, the student shall not be allowed to continue attending the district school to which the student was provisionally admitted. (Education Code 46603)

INTERDISTRICT ATTENDANCE (continued)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or rescissions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, the student shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school of enrollment, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded after June 30 following a student's completion of grade 10 or for any student entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

The Superintendent or designee shall also make public announcements regarding district schools, programs, policies, and procedures, including transportation options if applicable, during the enrollment period. (Education Code 48312)

The Superintendent or designee may hold informational meetings on the district's current educational programs, so that parents/guardians can provide input to the district on methods to improve current programs and make informed decisions regarding their children's education. (Education Code 48302)

The process for student transfers into the district under the school district of choice program, including, but not limited to, any applicable form, the timeline for a transfer, and an explanation of the selection process, shall be posted on the district's web site. (Education Code 48301)

(cf. 1113 - District and School Web Sites)

Parents/guardians shall submit applications for interdistrict attendance to the district office before January 1 of the school year preceding the school year for which the student is requesting to be transferred. The application deadline may be waived upon agreement between the district and the student's district of residence. (Education Code 48308)

The application deadline shall not apply to an application requesting a transfer if the parent/guardian with whom the student resides is enlisted in the military and was relocated by the military within 90 days prior to submitting the application. (Education Code 48308)

(cf. 6173.2 - Education of Children of Military Families)

INTERDISTRICT ATTENDANCE (continued)

Any existing entrance criteria for specialized schools or programs shall be uniformly applied to all applicants. (Education Code 48305)

The district may deny a transfer into the district under the school district of choice program if the transfer would require the district to create a new program to serve that student, except that the district shall not reject the transfer of a student with disabilities or an English learner. (Education Code 48303)

Whenever the number of transfer applications exceeds the number of interdistrict transfers that may be accepted as annually determined by the Governing Board, students accepted for transfer shall be selected by a random drawing held in public at a regularly scheduled Board meeting before February 15 of the school year preceding the school year for which the transfer is sought. (Education Code 48301)

Priority for transfer under the school district of choice program shall be granted as follows: (Education Code 48306)

1. First priority shall be given to siblings of students already in attendance in the district.
2. Second priority shall be given to students eligible for free or reduced-price meals.

(cf. 3553 - Free and Reduced Price Meals)

3. Third priority shall be given to children of military personnel.

No later than February 15 of the school year preceding the school year for which the student is requesting to be transferred, the Superintendent or designee shall notify the parent/guardian in writing whether the application has been provisionally accepted or rejected or of the student's position on any waiting list. (Education Code 48308)

If a student's application for transfer is accepted, the Superintendent or designee shall so notify the student's district of residence no later than February 15 of the school year preceding the school year for which the student is requesting to be transferred. (Education Code 48308)

The number of students accepted for transfer into the district, by school and grade level, shall be reported to the district of residence on or before February 15. (Education Code 48308)

If a student's application is denied, the Superintendent or designee shall notify the student's parents/guardians that the number of students requesting to transfer exceeded the district's capacity and that the student was not selected during the random drawing. Such determination shall be accurately recorded in the minutes of the Board meeting at which the determination was made. (Education Code 48308)

(cf. 9324 - Minutes and Recordings)

AR 5117(f)

INTERDISTRICT ATTENDANCE (continued)

For a student whose parent/guardian was relocated by the military less than 90 days prior to the submission of the application, the district shall make a final decision to accept or reject the application within 90 days of its receipt. If the student's application has been submitted less than 90 days prior to the beginning of the school year, then the district shall accept or deny the application before the school year begins. Upon acceptance, the student may immediately enroll in a district school. (Education Code 48308)

Vacancies may be filled from the waiting list until May 1 of the school year preceding the school year for which students are requesting to be transferred. (Education Code 48308)

The final number of students enrolled in the district through the school district of choice program, by school and grade level, along with the names of the students, shall be reported to the district of residence on or before May 2. (Education Code 48308)

Students admitted through the school district of choice program are deemed to have fulfilled district residency requirements pursuant to Education Code 48204. (Education Code 48301)

(cf. 5111.1 - District Residency)

(cf. 5116.1 - Intradistrict Open Enrollment)

Final acceptance of the transfer is applicable for one school year and shall be renewed automatically each year unless the Board, by adoption of a resolution, withdraws from participation in the program and no longer accepts transfer students from other districts. (Education Code 48308)

Even if the district withdraws from participation in the program, students who attended or received a notice of acceptance into the district before the Board's resolution of withdrawal shall be permitted to attend school in the district, and admitted high school students may continue attending school in the district until they graduate from high school. (Education Code 48307, 48308)

The district may accept any completed coursework, attendance, and other academic progress credited to an accepted student by any district(s) the student has previously attended and may grant academic standing to the student based upon the district's evaluation of the student's academic progress. (Education Code 48309)

(cf. 6146.3 - Reciprocity of Academic Credit)

INTERDISTRICT ATTENDANCE (continued)

The district may revoke a student's enrollment if the student is recommended for expulsion pursuant to Education Code 48918. (Education Code 48309)

Transfers Out of the District

A student whose parent/guardian is in active military duty shall not be prohibited from transferring out of the district, provided the school district of proposed enrollment approves the application for transfer. (Education Code 46600, 48307)

The district may limit transfers out of the district to a school district of choice under any of the following circumstances: (Education Code 48307)

1. The number of student transfers out of the district to a school district of choice has reached the limit specified in Education Code 48307 based on the district's average daily attendance.
2. The County Superintendent of Schools has given the district a negative budget certification or has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice.

(cf. 3100 - Budget)

3. The Board determines that the transfer would negatively impact any of the following: (Education Code 48307)
 - a. A court-ordered desegregation plan
 - b. A voluntary desegregation plan of the district, consistent with the California Constitution, Article 1, Section 31
 - c. The racial and ethnic balance of the district, consistent with the California Constitution, Article 1, Section 31

AR 5131.41(a)

USE OF SECLUSION AND RESTRAINT

District staff shall enforce standards of appropriate student conduct in order to provide a safe and secure environment for students and staff on campus, but are prohibited from using seclusion and behavioral restraint to control student behavior except to the limited extent authorized by law.

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

Definitions

Behavioral restraint includes mechanical restraint or physical restraint used as an intervention when a student presents an immediate danger to self or to others. Behavioral restraint does not include postural restraints or devices used to improve a student's mobility and independent functioning rather than to restrict movement. (Education Code 49005.1)

Mechanical restraint means the use of a device or equipment to restrict a student's freedom of movement. Mechanical restraint does not include the use of devices as prescribed by an appropriate medical or related services professional, including, but not limited to, adaptive devices or mechanical supports used to achieve proper body position, balance, or alignment; vehicle safety restraints during the transport of a student; restraints for medical immobilization; or orthopedically prescribed devices which permit a student to participate in activities without risk of harm. Mechanical restraint also does not include the use of devices by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

(cf. 3515.3 - District Police/Security Department)

Physical restraint means a personal restriction that immobilizes or reduces the ability of a student to move the torso, arms, legs, or head freely. Physical restraint does not

include a physical escort in which a staff member temporarily touches or holds the student's hand, wrist, arm, shoulder, or back for the purpose of inducing a student who is acting out to walk to a safe location. Physical restraint also does not include the use of force by peace officers or security personnel for detention or for public safety purposes. (Education Code 49005.1)

Prone restraint means the application of a behavioral restraint on a student in a facedown position. (Education Code 49005.1)

USE OF SECLUSION AND RESTRAINT (continued)

Seclusion means the involuntary confinement of a student alone in a room or an area from which the student is physically prevented from leaving. Seclusion does not include a timeout involving the monitored separation of the student in an unlocked setting, which is implemented for the purpose of calming the student. (Education Code 49005.1)

Prohibitions

Seclusion and behavioral restraint of students shall not be used in any form as a means of coercion, discipline, convenience, or retaliation. (Education Code 49005.8)

(cf. 5144 - Discipline)

In addition, staff shall not take any of the following actions: (Education Code 49005.2, 49005.8)

1. Administer a drug that is not a standard treatment for a student's medical or psychiatric condition in order to control the student's behavior or restrict the student's freedom of movement
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use as a locked room
3. Use a physical restraint technique that obstructs a student's respiratory airway or impairs a student's breathing or respiratory capacity, including a technique in which a staff member places pressure on the student's back or places his/her body weight against the student's torso or back
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, the use of a pillow, blanket, carpet, mat, or other item to cover a student's face
5. Place a student in a facedown position with the student's hands held or restrained behind the student's back
6. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the student or others

Limited Use of Seclusion or Restraint

Staff shall avoid the use of seclusion and behavioral restraint of students whenever possible. Seclusion or behavioral restraint may be used only to control student behavior that poses a clear and present danger of serious physical harm to the student or others, which cannot be prevented by a response that is less restrictive. (Education Code 49005.4, 49005.6, 49005.8)

(cf. 5131.4 - Student Disturbances)

(cf. 5131.7 - Weapons and Dangerous Instruments)

USE OF SECLUSION AND RESTRAINT (continued)

If a student is put in seclusion, the student shall be under constant, direct observation of a staff member. Such observation may be through a window or another barrier through which the staff member is able to make direct eye contact with the student, but shall not be made through indirect means such as a security camera or closed-circuit television. (Education Code 49005.8)

If a student is restrained, staff shall afford the student the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the student and others. (Education Code 49005.8)

If a prone restraint technique is used on a student, a staff member shall observe the student for any signs of physical distress throughout the use of the restraint. Whenever possible, the staff member monitoring the student shall not be involved in restraining the student. (Education Code 49005.8)

Reports

The Superintendent or designee shall annually collect data on the number of times that seclusion, mechanical restraint, and physical restraint were used on students and the number of students subjected to such techniques. The data shall be disaggregated by race/ethnicity and gender, and reported for students with a Section 504 plan, students with an individualized education program, and all other students. This report shall be submitted to the California Department of Education no later than three months after the end of each school year, and shall be available as a public record pursuant to Government Code 6250-6270. (Education Code 49006)

(cf. 1340 - Access to District Records)

(cf. 5145.9 - Hate-Motivated Behavior)

SUICIDE PREVENTION (continued)

4. The provision of information to parents/guardians regarding risk factors and warning signs of suicide, the severity of the suicide problem among youth, the district's suicide prevention curriculum, basic steps for helping suicidal youth, and/or school and community resources that can help youth in crisis
5. Encouragement for students to notify appropriate school personnel or other adults when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions
6. Crisis intervention procedures for addressing suicide threats or attempts
7. Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide

As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning youth. Intervention

Students shall be encouraged to notify a teacher, principal, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a student's suicidal intentions based on the student's verbalizations or act of self-harm, the staff member shall promptly notify the principal or school counselor, who shall implement district intervention protocols as appropriate.

Although any personal information that a student discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the counselor may report to the principal or student's parents/guardians when there is reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the student or others within the school community. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers, or the school nurse for the sole purpose of referring the student for treatment. (Education Code 49602)

(cf. 5141 - Health Care and Emergencies)

School employees shall act only within the authorization and scope of their credential or license. An employee is not authorized to diagnose or treat mental illness unless specifically licensed and employed to do so. (Education Code 215)

(cf. 5138 - Conflict Resolution/Peer Mediation)

When a suicide attempt or threat is reported, the principal or designee shall ensure student safety by taking the following actions:

1. Immediately securing medical treatment and/or mental health services as necessary
2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened
3. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene

(cf. 5125 - Student Records)

The Superintendent or designee shall follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed. If the parent/guardian does not access treatment for the student, the Superintendent or designee may meet with the parent/guardian to identify barriers to treatment and assist the family in providing follow-up care for the student. If follow-up care is still not provided, the Superintendent or designee shall consider whether it is necessary, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

For any student returning to school after a mental health crisis, the principal or designee and/or school counselor may meet with the parents/guardians and, if appropriate, with the student to discuss re-entry and appropriate next steps to ensure the student's readiness for return to school and determine the need for ongoing support.

Postvention

In the event that a student dies by suicide, the Superintendent or designee shall communicate with the student's parents/guardians to offer condolences, assistance, and resources. In accordance with the laws governing confidentiality of student record information, the Superintendent or designee shall consult with the parents/guardians regarding facts that may be divulged to other students, parents/guardians, and staff.

After any suicide or attempted suicide by a student, the Superintendent or designee shall provide an opportunity for all staff who responded to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

BP 5144(a)

DISCIPLINE

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and achievement and desires to prepare students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent/guardian involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.2 - Bullying)

(cf. 5137 - Positive School Climate)

(cf. 5145.9 - Hate-Motivated Behavior)

(cf. 6020 - Parent Involvement)

The Superintendent or designee shall develop effective, age-appropriate strategies for maintaining a positive school climate and correcting student misbehavior at district schools.

The strategies shall focus on providing students with needed supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of district discipline policies and practices.

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 6164.2 - Guidance/Counseling Services)

In addition, the Superintendent or designee's strategies for correcting student misconduct shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required or permitted by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 3551 - Food Service Operations/Cafeteria Fund)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 5131.41 - Use of Seclusion and Restraint)

The Superintendent or designee shall create a model discipline matrix that lists violations and the consequences for each as allowed by law.

The administrative staff at each school may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and district regulations. The Board, at an open meeting, shall review the approved school discipline rules for consistency with Board policy and state law. Site-level disciplinary rules shall be included in the district's comprehensive safety plan. (Education Code 32282, 35291.5)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 9320 - Meetings and Notices)

At all times, the safety of students and staff and the maintenance of an orderly school environment shall be priorities in determining appropriate discipline. When misconduct occurs, staff shall attempt to identify the causes of the student's behavior and implement appropriate discipline. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 0415 - Equity)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 5145.7 - Sexual Harassment)

(cf. 0460 - Local Control and Accountability Plan)

(cf. 3100 - Budget)

At the beginning of each school year, the Superintendent or designee shall report to the Board regarding disciplinary strategies used in district schools in the immediately preceding school year and their effect on student learning.

Staffing

The district's child care and development program shall maintain at least the minimum adult-child and teacher-child ratios specified in 5 CCR 18290-18292 based on the ages of the children served.

All persons employed at a licensed district child care center and all volunteers who provide care and supervision to children at such a center shall be immunized against influenza, pertussis, and measles. If they meet all other requirements for employment or volunteering, as applicable, but need additional time to obtain and provide immunization records, they may be employed or volunteer conditionally for a maximum of 30 days upon signing and submitting a written statement attesting that they have been immunized as required. In addition, employees and volunteers shall receive an influenza vaccination between August 1 and December 1 of each year. A person shall be exempt from these requirements only under any of the following circumstances: (Health and Safety Code 1596.7995)

1. The person submits a written statement from a licensed physician declaring either that immunization is not safe because of the person's physical condition or medical circumstances or that the person has evidence of current immunity to influenza, pertussis, and measles.
2. In the case of the influenza vaccine, the person submits a written declaration declining the vaccination.
3. In the case of the influenza vaccine required during the first year of employment or volunteering, the vaccine is not timely because the person was hired after December 1 of the previous year and before August 1 of the current year.

CHILD CARE AND DEVELOPMENT (continued)

Eligibility and Enrollment

The district's subsidized child care and development services may be available to infants and children through 12 years of age and to individuals with disabilities through 21 years of age in accordance with their individualized education program and Education Code 8208. (Education Code 8208, 8263.4; 5 CCR 18089, 18407, 18422)

Eligible families shall be those who document both an eligibility basis and a need for care, as follows: (Education Code 8263)

1. The family is eligible for subsidized services on the basis of being a current aid recipient, income eligible, or homeless and/or the family's children are recipients of protective services or have been identified as being or at risk of being abused, neglected, or exploited.
2. The family has a need for child care based on either of the following:
 - a. The unavailability of the parents/guardians to care for and supervise their children for some portion of the day because they are participating in vocational training leading directly to a recognized trade, paraprofession, or profession; are engaged in an educational program for English language learners or to attain a high school diploma or general educational development certificate; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated
 - b. The child is identified by a legal, medical, or social services agency, the district liaison for homeless students, a Head Start program, or an emergency or transitional shelter as being a recipient of protective services, as being or at risk of being neglected, abused, or exploited, or as being homeless

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment shall be given to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8263)

CHILD CARE AND DEVELOPMENT (continued)

Second priority for enrollment shall be given to families who are income eligible, as defined in Education Code 8263.1. Families with the lowest gross monthly income in relation to family size shall be admitted first. If two or more families are in the same priority in relation to income, the family that has a child with disabilities shall be admitted first or, if there is no child with disabilities, the family that has been on the waiting list for the longest time shall be admitted first. (Education Code 8263, 8263.1)

The district shall allow eligible children 11-12 years of age to combine enrollment in a before-school or after-school program with subsidized child care services during the time that the before-school or after-school program does not operate. Children 11-12 years of age, except for children with disabilities, shall be eligible for subsidized child care services only for the portion of care needed that is not available in a before-school or after-school program. (Education Code 8263.4)

After all children eligible for subsidized services have been enrolled, the district may enroll children in accordance with the priorities established by the Governing Board.

The district's decision to approve or deny services shall be communicated to the parent/guardian through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18118)

(cf. 5145.6 - Parental Notifications)

Upon establishing eligibility for services, a family shall be eligible for and shall receive services for not less than 12 months before having the family's eligibility or need recertified and shall not be required to report changes to income or other changes for at least 12 months. However, a family establishing eligibility on the basis of income shall report any increases in income that exceed the threshold for ongoing income eligibility specified in Education Code 8263.1, and the family's ongoing eligibility shall be recertified at that time. At any time a family may voluntarily report income or other changes, which shall be used, as applicable, to reduce the family's fees, increase the family's services, or extend the period of eligibility before recertification. (Education Code 8263)

The Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination made during recertification or the update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified

CHILD CARE AND DEVELOPMENT (continued)

2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the service is no longer wanted
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

The Superintendent or designee shall establish and maintain a basic data file for each family receiving child care and development services containing the completed and signed application for services, documentation used to determine the child's eligibility and need, and copies of all Notices of Action. (5 CCR 18081, 18095)

Fees and Charges

Except when offering a program that is prohibited by law from charging any fees, the Superintendent or designee may charge fees for services according to the fee schedule established by the Superintendent of Public Instruction, the actual cost of services, or the maximum daily/hourly rate specified in the contract, whichever is least. (Education Code 8250, 8263, 8273, 8273.1, 8447; 5 CCR 18078, 18108-18110)

However, no fee shall be charged to a family that is receiving CalWORKS cash aid, an income-eligible family whose child is enrolled in a part-day California State Preschool Program, or a family whose income level, in relation to family size, is less than the first entry in the fee schedule. (Education Code 8273.1; 5 CCR 18110)

In addition, any family receiving child care on the basis of having a child who is a recipient of child protective services, or having a certification by a county child welfare agency that child care services continue to be necessary, may be exempt from these fees for up to 12 months.(Education Code 8273.1)

Fees shall be assessed at initial enrollment and reassessed when a family is recertified or experiences a change in status. Fees shall be considered delinquent after seven days from the date that fees are due. Parents/guardians shall be notified in the event that fees are delinquent.

If a reasonable plan for payment of the delinquent fees has not been provided by the parents/guardians, services shall be terminated if all delinquent fees are not paid within two weeks of such notification. Parents/guardians shall receive a copy of the district's regulations regarding fee collection at the time of initial enrollment into the program. (Education Code 8273; 5 CCR 18082, 18114, 18115)

CHILD CARE AND DEVELOPMENT (continued)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers. This process shall also be used to determine whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8273.3)

Disenrollment

When necessary due to a reduction in state reimbursements, families shall be disenrolled from subsidized child care and development services in the following order: (Education Code 8263.3)

1. Families with the highest income in relation to family size shall be disenrolled first.
2. If two or more families have the same income ranking, children without disabilities who have been enrolled in child care services the longest shall be disenrolled first.

After all children without disabilities have been disenrolled, children with disabilities shall be disenrolled, with those who have been enrolled in child care services the longest being disenrolled first.

3. Families whose children are receiving child protective services or are at risk of neglect, abuse, or exploitation, regardless of family income, shall be disenrolled last.

Health Examination and Information

A physical examination and evaluation, including age-appropriate immunization, shall be required prior to or within six weeks of enrollment. (Education Code 8263)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

The requirement for a physical examination and evaluation shall be waived if a parent/guardian submits a letter stating that such examination is contrary to the parent/guardian's religious beliefs. (Education Code 8263)

However, a child may be exempted from the immunization requirements only if: (Education Code 8263; Health and Safety Code 120335)

1. A licensed physician indicates that immunization is not safe due to the physical condition or medical circumstances of the child.

CHILD CARE AND DEVELOPMENT (continued)

2. The parent/guardian submitted a letter or affidavit prior to January 1, 2016 stating that such examination is contrary to the parent/guardian's personal beliefs. An exemption from immunization granted for personal beliefs is effective only until the next grade span (i.e., birth through preschool, grades K-6, and grades 7-12).

If there is good cause to believe that a child is suffering from a recognized contagious or infectious disease, the child shall be temporarily excluded from the child care and development program until it is determined that the child is not suffering from that contagious or infectious disease. (Education Code 8263)

(cf. 5141.22 - Infectious Diseases)

When a child enrolls or reenrolls in a licensed child care program, the center shall provide the child's parent/guardian with written information on the risks and effects of lead exposure, blood lead testing recommendations and requirements, and options for obtaining blood lead testing, including any state or federally funded programs that offer free or discounted tests. (Health and Safety Code 1596.7996)

Attendance

Sign-in and sign-out sheets shall be used daily for all children for attendance accounting purposes. Attendance records shall include verification of excused absences, including the child's name, date(s) of absence, specific reason for absence, and signature of parent/guardian or district representative. (5 CCR 18065, 18066)

Absences shall be excused for the following reasons:

1. Illness or quarantine of the child or of the parent/guardian (Education Code 8208)
2. Family emergency (Education Code 8208)

A family emergency shall be considered to exist when unforeseen circumstances cause the need for immediate action, such as may occur in the event of a natural disaster or when a member of the child's immediate family dies, has an accident, or is required to appear in court.

3. Time spent with a parent/guardian or other relative as required by a court of law (Education Code 8208)
4. Time spent with a parent/guardian or other relative which is clearly in the best interest of the child (Education Code 8208)

CHILD CARE AND DEVELOPMENT (continued)

An absence shall be considered to be in the best interest of the child when the time is spent with the child's parent/guardian or other relative for reasons deemed justifiable by the program coordinator or site supervisor.

Except for children who are recipients of child protective services or are at risk of abuse or neglect, excused absences in the best interest of the child shall be limited to 10 days during the contract period. (5 CCR 18066)

Any absence due to a reason other than any of those stated above, or without the required verification, shall be considered an unexcused absence. After three unexcused absences during the year, the program coordinator or site supervisor shall notify the child's parent/guardian. Children who continue to have excessive unexcused absences may be removed from the program at the discretion of the program coordinator in order to accommodate other families on the waiting list for admission.

Parents/guardians shall be notified of the policies and procedures related to excused and unexcused absences for child care and development services. (5 CCR 18066)

Rights of Parents/Guardians

At the time a child is accepted into a licensed child care and development center, the child's parent/guardian or authorized representative shall be notified of the rights specified in 22 CCR 101218.1, including, but not limited to, the right to enter and inspect the child care facility and the right to be informed, upon request, of the name and type of association to the center of any adult who has been granted a criminal record exemption. (Health and Safety Code 1596.857; 22 CCR 101218.1)

The written notice of parent/guardian rights also shall be permanently posted within the facility in a location accessible to parents/guardians. Notwithstanding these rights, access to the facility may be denied to an adult whose behavior presents a risk to children present in the facility or to noncustodial parents/guardians when so requested by the responsible parent/guardian. (Health and Safety Code 1596.857)

In addition, if a parent/guardian disagrees with any district action to deny a child's eligibility for subsidized child care services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, the parent/guardian may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 18120)

CHILD CARE AND DEVELOPMENT (continued)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 18120 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, the parent/guardian may, within 14 calendar days, appeal the decision to the CDE. (5 CCR 18120-18122)

Records

The Superintendent or designee shall maintain records of enrollment, attendance, types of families served, income received from all families participating in the district's child care and development program, and any other records required by CDE.

 - c. Where the members of one sex are underrepresented among interscholastic athletes and the district cannot show a history and continuing practice of program expansion as required in item #1b above, whether the district can demonstrate that the interests and abilities of the members of that sex have been fully and effectively accommodated by the present program
2. The provision and maintenance of equipment and supplies

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

If a student athlete is suspected of sustaining a concussion or head injury in an athletic activity, he/she shall be immediately removed from the activity for the remainder of the day. The student shall not be permitted to return to the activity until he/she is evaluated by a licensed health care provider trained in the management of concussions and receives the health care provider's written clearance to return to the activity. If the health care provider determines that the athlete sustained a concussion or a head injury, the athlete shall also complete a graduated return-to-play protocol of no less than seven days in duration under the supervision of a licensed health care provider. (Education Code 49475)

ATHLETIC COMPETITION (continued)

A middle school or high school football team shall not hold a full-contact practice during the off-season and shall not conduct more than two full-contact practices per week during the preseason and regular season (from 30 days before the commencement of the regular season until the completion of the final interscholastic football game of that season). If an athletic activity is not covered by CIF, the student and his/her parent/guardian shall, prior to the student's participation in the athletic activity, sign and return an acknowledgement that they have received and reviewed the sudden cardiac arrest information posted on the California Department of Education's web site. (Education Code 33479.2, 33479.3)

The Superintendent or designee shall provide training to coaches and/or athletic trainers regarding the nature and warning signs of sudden cardiac arrest. (Education Code 33479.6, 33479.7, 35179.1, 49032)

If a student athlete passes out or faints, or is known to have passed out or fainted, while participating in or immediately following his/her participation in an athletic activity, the student shall be removed from participation at that time. If a student exhibits any other symptoms of sudden cardiac arrest, including seizures during exercise, unexplained shortness of breath, chest pains, dizziness, racing heart rate, or extreme fatigue, he/she may be removed from participation by a coach or other employee who observes these symptoms. If any such symptoms are observed, notification shall be given to the student's parent/guardian so that the parent/guardian can determine the treatment, if any, the student should seek. PLACEMENT IN MATHEMATICS COURSES

The Governing Board believes that a sound educational program must include the study of subjects that prepare students for admission to higher education and/or fulfilling careers. District students shall be provided an opportunity to complete a sequence of mathematics courses recommended for admission into the University of California and California State University systems.

(cf. 6141.5 - Advanced Placement)
(cf. 6142.92 - Mathematics Instruction)
(cf. 6143 - Courses of Study)
(cf. 6146.1 - High School Graduation Requirements)

The Superintendent or designee shall work with district teachers, counselors, and administrators and the representatives of feeder schools to develop a well-articulated sequence of mathematics courses and consistent protocols for placing students in mathematics courses offered at district high schools.

Such placement protocols shall systematically take into consideration multiple objective academic measures that may include, but are not limited to, statewide mathematics assessments, including state interim and summative assessments; placement tests that are aligned to state-adopted content standards in mathematics; classroom assignment and grades; and report cards. (Education Code 51224.7)

(cf. 5121 - Grades/Evaluation of Student Achievement)
(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)
(cf. 6162.51 - State Academic Achievement Tests)

District staff shall implement the placement protocols uniformly and without regard to students' socioeconomic background or characteristic specified in BP 0410 - Nondiscrimination in District Programs and Activities, including, but not limited to, race, sex, gender, nationality, and ethnicity.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 0415 - Equity)
(cf. 6174 - Education for English Learners)

PLACEMENT IN MATHEMATICS COURSES (continued)

The placement protocols shall provide for at least one reevaluation within the first month of the school year to ensure that students are appropriately placed in mathematics courses and shall specify the criteria the district will use to make this determination. Any student found to be misplaced shall be promptly placed in the appropriate mathematics course.

If a student or parent/guardian questions the student's placement, he/she may appeal the decision to the Superintendent or designee. The decision of the Superintendent or designee shall be final.

The Superintendent or designee shall ensure that all teachers, counselors, and other district staff responsible for determining students' placement in mathematics courses receive training on the placement protocols.

(cf. 4131 - Staff Development)

The Board and the Superintendent or designee shall annually review student data related to placement in mathematics courses offered at district high schools to ensure that students who are qualified to progress in mathematics courses based on their performance on objective academic measures are not being held back in a disproportionate manner on the basis of any subjective or discriminatory basis, and shall develop strategies for removing any identified barriers to students' access to mathematics courses.

PLACEMENT IN MATHEMATICS COURSES

Placement Protocols

In determining student placement in mathematics courses for students entering grade 9, the Superintendent or designee shall assess whether each student has the prerequisite skills for success in the course and consider student and parent/guardian requests. Such determinations shall be based on multiple measures, including, but not limited to, the following:

1. Interim and summative grade 8 mathematics assessments from the California Assessment of Student Performance and Progress
2. For students with disabilities, an alternate test or other measures when designated in a student's individualized education program (IEP)
3. Other assessments such as Measures of Academic Progress, the readiness tests of the University of California's Mathematics Diagnosis Testing Project, and/or district benchmark assessments
4. The student's grades in his/her previous mathematics course
5. The final mathematics grade on the end-of-year report card

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6142.92 - Mathematics Instruction)

(cf. 6143 - Courses of Study)

(cf. 6162.5 - Student Assessment)

(cf. 6162.51 - State Academic Achievement Tests)

Individual student performance data shall be analyzed each spring prior to scheduling and placing students into secondary mathematics courses.

No student shall be required to repeat a mathematics course which he/she has successfully completed in accordance with district's placement protocols.

When a student does not qualify to be enrolled in a particular mathematics course based on a consideration of the objective measures specified in the placement protocol, he/she may nevertheless be admitted to the course based on the recommendation of a teacher or counselor who has personal knowledge of the student's academic ability.

PLACEMENT IN MATHEMATICS COURSES (continued)

Students who exhibit deficits in knowledge and skills needed to advance to a higher level mathematics course may receive supplemental instruction to improve achievement of mathematic content standards.

(cf. 6011 - Academic Standards)

(cf. 6179 - Supplemental Instruction)

Reevaluation

Within the first month of the school year, mathematics course placements shall be individually reevaluated to ensure placement in the most rigorous mathematics course for which the student has the potential for success.

Criteria for reevaluating each student's placement shall include, but are not limited to, course preassessment results, attendance, and student performance in the first month of the school year as determined by teacher observation and grades on assignments and tests. Student and parent/guardian request for course placement may also be considered.

Notification of Placement Protocol

The district's policy and protocols related to student placement in mathematics courses shall be posted on the district's web site. (Education Code 51224.7)

(cf. 1113 - District and School Web Sites)

The Superintendent or designee shall also make the district's placement policy, protocols, and course sequence readily accessible to students, parents/guardians, and staff at school sites and/or in student handbooks.

Appeals

Within 10 school days of an initial placement decision or a placement decision upon reevaluation, a student and his/her parent/guardian who disagree with the placement may appeal the decision to the Superintendent or designee. The Superintendent or designee shall decide whether or not to overrule the placement determination within 10 school days of receiving the appeal.

TRANSITIONAL KINDERGARTEN

The Governing Board desires to offer a high-quality transitional kindergarten (TK) program for eligible children who do not yet meet the minimum age criterion for kindergarten. The TK program shall assist students in developing the academic, social, and emotional skills they need to succeed in kindergarten and beyond.

The district's TK program shall be the first year of a two-year kindergarten program. (Education Code 48000)

The Board encourages ongoing collaboration among district preschool staff, other preschool providers, elementary teachers, administrators, and parents/guardians in the development, implementation, and evaluation of the district's TK program.

(cf. 1220 - Citizen Advisory Committees)

(cf. 6020 - Parent Involvement)

Eligibility

The district's TK program shall admit children whose fifth birthday is from September 2 through December 2. (Education Code 48000)

Parents/guardians of eligible children shall be notified of the availability of the TK program and age, residency, immunization, and any other enrollment requirements. Enrollment in the TK program shall be voluntary.

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5141.22 - Infectious Diseases)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry)

Upon request of a child's parents/guardians, the district may, on a case-by-case basis after the Superintendent or designee determines that it is in the child's best interest, admit into the district's TK program a child whose fifth birthday is on or before September 1 and who is therefore eligible for kindergarten.

TRANSITIONAL KINDERGARTEN (continued)

At any time during the school year, the district may admit into the TK program a child whose fifth birthday is after December 2 of that same school year, provided that the Superintendent or designee recommends that enrollment in a TK program is in the child's best interest and the child's parents/guardians approve. Prior to such enrollment, the child's parents/guardians shall be provided information regarding the advantages and disadvantages and any other explanatory information about the effect of early admittance. (Education Code 48000)

Curriculum and Instruction

The district's TK program shall be based on a modified kindergarten curriculum that is age and developmentally appropriate. (Education Code 48000)

(cf. 6141 - Curriculum Development and Evaluation)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

The program shall be aligned with the preschool learning foundations and preschool curriculum frameworks developed by the California Department of Education (CDE). It shall be designed to facilitate students' development in essential skills related to language and literacy, mathematics, physical development, health, visual and performing arts, science, history-social science, English language development, and social-emotional development.

(cf. 5148.3 - Preschool/Early Childhood Education)
(cf. 6011 - Academic Standards)
(cf. 6174 - Education for English Learners)

The Board shall establish the length(s) of the school day in the district's TK program. TK programs may be maintained for different lengths of time either at the same or different school sites, as long as the school day is at least three hours but no more than four hours. The Superintendent or designee shall annually report to CDE as to whether the district's TK programs are offered full day, part day, or both. (Education Code 37202, 46111, 46115, 46117, 48003)

(cf. 6111 - School Calendar)
(cf. 6112 - School Day)

TK students may be placed in the same classrooms as kindergarten students when necessary, provided that the instructional program is differentiated to meet student needs.

TRANSITIONAL KINDERGARTEN (continued)

TK students may be placed in a classroom commingled with 4-year-old students from a California State Preschool Program as long as the classroom does not include students enrolled in TK for a second year or students enrolled in a regular kindergarten. (Education Code 8235, 48000)

Staffing

The Superintendent or designee shall ensure that teachers assigned to teach in TK classes possess a teaching credential or permit from the Commission on Teacher Credentialing (CTC) that authorizes such instruction.

(cf. 4112.2 - Certification)

A credentialed teacher who is first assigned to a TK class after July 1, 2015, shall, by August 1, 2020, have at least 24 units in early childhood education and/or child development, comparable experience in a preschool setting, and/or a child development teacher permit issued by CTC. (Education Code 48000)

The Superintendent or designee may provide professional development as needed to ensure that TK teachers are knowledgeable about the standards and effective instructional methods for teaching young children.

(cf. 4131 - Staff Development)

Continuation to Kindergarten

Students who complete the TK program shall be eligible to continue in kindergarten the following school year. Parents/guardians of such students shall not be required to submit a signed Kindergarten Continuance Form for kindergarten attendance.

However, whenever children who would otherwise be age-eligible for kindergarten are enrolled in TK, the Superintendent or designee shall obtain a Kindergarten Continuance Form signed by the parent/guardian near the end of the TK year consenting to the child's enrollment in kindergarten the following year.

A student shall not attend more than two years in a combination of TK and kindergarten. (Education Code 46300)

(cf. 5123 - Promotion/Acceleration/Retention)

TRANSITIONAL KINDERGARTEN (continued)

Assessment

The Superintendent or designee may develop or identify appropriate formal and/or informal assessments of TK students' development and progress. He/she shall monitor and regularly report to the Board regarding program implementation and the progress of students in meeting related academic standards.

Upon enrollment, the Superintendent or designee shall immediately request the student's official records from the student's previous district. The Superintendent or designee shall allow the student 30 days from the date of enrollment to obtain all required immunizations. (Education Code 49701)

(cf. 5111 - Admission)

(cf. 5125 - Student Records)

(cf. 5141- Health Care and Emergencies)

(cf. 5141.31- Immunizations)

A child of a military family shall be allowed to continue attending the school of origin, regardless of any change of residence of the family during that school year, for the duration of the student's status as a child of a military family. (Education Code 48204.6)

To provide a child of a military family the benefit of matriculating with peers in accordance with the established feeder patterns of the district, the following shall apply: (Education Code 48204.6)

1. If the student is transitioning between grade levels, the student shall be allowed to continue in the school district of origin in the same school attendance areas.

The principal or designee of the new school shall ensure that the student is immediately enrolled even if the student has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended or is unable to produce clothing or records normally required for enrollment, such as previous academic records, medical records, including, but not limited to, records or other proof of immunization history pursuant to Health and Safety Code 120325-120480, proof of residency, other documentation, or school uniforms. (Education Code 48204.6)

Upon request from the new district, the Superintendent or designee shall provide a copy of the student's record to the new district within 10 days. (Education Code 49701)

Placement

Whenever a student's parent/guardian is serving on active duty or has been discharged from military service within the last year and the student transfers to a new school as the direct result of the military transfer or discharge, the Superintendent or designee may, prior to the receipt of official transcript(s) or the arrival of the student, review the student's coursework to date, including any unofficial transcript(s), to determine the appropriate placement of the student in classes. The evaluation shall also include communication with school counselors and teachers at the former school by videoconferencing, email, and/or telephone calls. (Education Code 51251)

The Superintendent or designee shall initially honor the placement of any child of a military family in educational courses and programs based on the student's enrollment and/or assessment in the previous school. When a child of a military family transferring into the district has been identified as an individual with a disability pursuant to 20 USC 1400-1482, the Superintendent or designee shall provide comparable services based on the student's current IEP. In addition, when the child of a military family transferring into the district is eligible for services under Section 504 of the federal Rehabilitation Act, the Superintendent or designee shall make reasonable accommodations and modifications to address the needs of the student subject to the student's existing Section 504 plan. The district may authorize subsequent evaluations of the student to ensure appropriate placement. (Education Code 49701)

EDUCATION OF CHILDREN OF MILITARY FAMILIES (continued)

(cf. 6159 - Individualized Education Program)

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

(cf. 6164.6 - Identification and Education Under Section 504)

Transfer of Coursework and Credits

When a child of a military family transfers into a district school, the district shall accept and issue full credit for any coursework that the student has satisfactorily completed while attending another public school, a nonpublic, nonsectarian school or agency, or a juvenile court school and shall not require the student to retake the course. (Education Code 51225.2)

(cf. 6146.3 - Reciprocity of Academic Credit)

(cf. 6159.2 - Nonpublic, Nonsectarian School and Agency Services for Special Education)

If the student did not complete the entire course, the student shall be issued partial credit for the coursework completed and shall be required to take only the portion of the course not completed at the previous school. However, the district may require the student to retake the portion of the course completed if, in consultation with the student's parent/guardian, the district finds that the student is reasonably able to complete the requirements in time to graduate from high school. Whenever partial credit is issued, the student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. (Education Code 51225.2)

Partial credits shall be awarded on the basis of 0.5 credits for every seven class periods attended per subject. If the school is on a block schedule, each block schedule class period attended shall be equal to two regular class periods per subject.

In no event shall the district prevent a child of a military family from taking or retaking a course to meet the eligibility requirements for admission to the California State University or the University of California. (Education Code 51225.2)

(cf. 6143 - Courses of Study)

Absences

When a student's parent/guardian is an active duty member and is called to duty for, is on leave from, or is immediately returned from deployment to a combat zone or to combat support posting, the Superintendent or designee may grant additional excused absences to the student to visit with the parent/guardian. (Education Code 49701)

(cf. 5113 - Absences and Excuses)

EDUCATION OF CHILDREN OF MILITARY FAMILIES (continued)
Graduation Requirements

To obtain a high school diploma, a child of a military family shall complete all courses required by Education Code 51225.3 and shall generally fulfill any additional graduation requirements prescribed by the Governing Board.

(cf. 6146.1 - High School Graduation Requirements)

However, when a child of a military family who has completed the second year of high school transfers into the district from another school district or transfers between high schools within the district, the student shall be exempted from all district-adopted coursework and other district-established graduation requirements that are in addition to the statewide coursework requirements specified in Education Code 51225.2, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of the fourth year of

high school. Within 30 calendar days of the student's transfer, the Superintendent or designee shall notify the student and parent/guardian of the availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student no longer meets the definition of a child of a military family pursuant to Education Code 49701. (Education Code 51225.1)

To determine whether a child of a military family is in the third or fourth year of high school, the district shall use either the number of credits earned as of the date of the transfer or the length of school enrollment, whichever qualifies the student for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any child of a military family who is granted an exemption and the student's parent/guardian how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a child of a military family to transfer schools in order to qualify for an exemption, and no child of a military family or parent/guardian shall be permitted to request a transfer solely to qualify for an exemption. (Education Code 51225.1)

If a child of a military family is exempted from local graduation requirements, the exemption shall continue to apply after the student no longer meets the definition of a child of a military family while enrolled in school or upon transfer to another school or school district. (Education Code 51225.1)

EDUCATION OF CHILDREN OF MILITARY FAMILIES (continued)

If the Superintendent or designee determines that a child of a military family is reasonably able to complete district graduation requirements within a fifth year of high school, the Superintendent or designee shall: (Education Code 51225.1)

1. Inform the student and, if under 18 years of age, the student's parent/guardian of the option available to the student to remain in school for a fifth year to complete the district's graduation requirements and how that will affect the student's ability to gain admission to a postsecondary educational institution
2. Provide information to the student about transfer opportunities available through the California Community Colleges
3. Upon agreement with the student, or with the parent/guardian if the student is under 18 years of age, permit the student to stay in school for a fifth year to complete the district's graduation requirements

Notification and Complaints

Information regarding the educational rights of children of military families, as specified in Education Code 51225.1 and 51225.2, shall be included in the annual uniform complaint procedures notification distributed to students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622. (Education Code 51225.1, 51225.2)

Any complaint alleging that the district has not complied with requirements regarding the education of children of military families, as specified in Education Code 51225.1 or 51225.2, may be filed in accordance with the district's procedures in AR 1312.3 - Uniform Complaint Procedures.

Board Policy

Instruction

BP 6190(a)

EVALUATION OF THE INSTRUCTIONAL PROGRAM

The Governing Board recognizes that it is accountable to students, parents/guardians, and the community for the effectiveness of the district's educational program in meeting district goals for student learning. The Superintendent or designee shall conduct a continual evaluation of the curriculum and the instructional program in order to identify strategies for improving student achievement.

(cf. 0200 - Goals for the School District)
(cf. 0500 - Accountability)
(cf. 6000 - Concepts and Roles)
(cf. 6141 - Curriculum Development and Evaluation)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

The Superintendent or designee shall provide the Board and the community with regular reports on student achievement. The reports shall include data for each district school and for each numerically significant student subgroup, as defined in Education Code 52052, including, but not limited to, school and subgroup performance on statewide achievement indicators and progress toward goals specified in the district's local control and accountability plan (LCAP).

(cf. 0460 - Local Control and Accountability Plan)
(cf. 0510 - School Accountability Report Card)
(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)
(cf. 6162.51 - State Academic Achievement Tests)
(cf. 6173 - Education for Homeless Children)
(cf. 6173.1 - Education for Foster Youth)
(cf. 6174 - Education for English Learners)

In addition, the Superintendent or designee shall conduct an evaluation of any new instructional program implemented in the district and shall regularly assess district progress toward increasing student achievement in all subject areas taught in the district. The findings of such evaluations and assessments shall be reported to the Board.

Based on these reports, the Board shall take appropriate actions to maintain the effectiveness of programs and to improve the quality of education provided to district students.

EVALUATION OF THE INSTRUCTIONAL PROGRAM (continued)

Annual Evaluation of Consolidated Application Programs

The Board and the Superintendent or designee shall annually determine whether the district's categorical programs funded through the state's consolidated application are effective in meeting the needs of the students they are intended to serve. As a basis for this evaluation, the Superintendent or designee shall recommend for Board approval the specific, measurable criteria that shall be used at each school and at the district level. These criteria may include, but are not necessarily limited to, the progress of all students participating in the program and of each numerically significant subgroup toward goals contained in the district's LCAP, the school's single plan for student achievement, and/or other applicable district or school plans.

Western Association of Schools and Colleges (WASC) Accreditation

The Board believes that accreditation by the Western Association of Schools and Colleges (WASC) can foster excellence and ongoing academic improvement in the district's schools. The results of the accreditation process also may demonstrate to parents/guardians and the community that the schools are meeting their goals and objectives and the WASC criteria for school effectiveness through a viable instructional program.

The Superintendent or designee shall undertake procedures whereby district schools may achieve and maintain full WASC accreditation status. The schools shall conduct a self-study in accordance with WASC requirements, cooperate with the WASC committee during a site visit, and develop and review action plans to increase the effectiveness of the instructional program for students. The Superintendent or designee shall regularly report to the Board on the status of district schools and any WASC recommendations for school improvement.

Not later than 60 days after receiving the results of an inspection of a school by WASC or any other accrediting agency, the Superintendent or designee shall notify parents/guardians in writing of the inspection results and/or shall post the information on the district's or school's web site. (Education Code 35178.4)

(cf. 1113 - District and School Web Sites)

(cf. 5145.6 - Parental Notifications)

If any district school loses its accreditation status, the Board shall give official notice at a regularly scheduled Board meeting. The Superintendent or designee shall provide written notification to each parent/guardian of a student in the school that the school has lost its accreditation status, including the potential consequences of the loss of accreditation status. This notice shall also be posted on the district's web site and the school's web site. (Education Code 35178.4)
