The Board of Education will hold a Regular Board Meeting on Thursday, May 16, 2019 with open session starting at 4:00 p.m. in the boardroom of the Coronado Unified School District (201 Sixth Street).

The Board of Education typically meets on the third Thursday of the month. Meetings may be moved due to the school calendar or other conflicts. Please check the [calendar of board meetings](#) for the most current information or contact the District Office (619-522-8900).

Agendas for Regular Board Meetings are posted at least 72 hours in advance of the meeting. Agendas for Special Board Meetings are posted at least 24 hours in advance of the meeting. The agenda and the board packet are posted on the [district website](#).

In school year 2020-21 Village Elementary TK/K classrooms will move back to the main Village campus. In addition to providing additional opportunities for TK/K students, the move will allow the district to maximize the ECDC facility for both the school district and the community of Coronado.

Potential considerations for the site include: expansion of existing pre-school and childcare program, lease agreements with outside agencies, partnerships with outside agencies (colleges, training programs, Navy, City, etc.).

The goal of the Governing Board is to include all shareholders in the decision making process for future use. As such a Superintendent's Study Group will be formed to analyze themes and ideas resulting from a community-wide survey, research and study potential options, and present a proposal for use to the Governing Board.

If you are interested in participating the Superintendent's Study Group please complete the application at the [following link](#). The group's first meeting will be Thursday, May 30th at 5pm in the CUSD Board Room.

Respectfully,
Karl Mueller
Superintendent

“

The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

”

To provide an opportunity to celebrate the awesomeness of those we work with, we've created the "Caught Being Awesome" form. This on-line form can be completed by any staff or community member to recognize our employees or volunteers who go above and beyond to make a difference. Those who are "caught" will receive a copy of the positive words that were shared about them. Please take a minute or two to brighten someone else's day! [Click here](#)
