

School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Vision and Mission

Learning (Goal 1)

Intent: Village Elementary seeks to integrate personalized learning with assessment methods that will prepare all students for academic and vocational success. Village Elementary seeks to ensure that, through data-driven decision making, intervention and enrichment experiences, and social/emotional services support all students' needs.

Identified Need:

- Increased support to students with disabilities and socioeconomically disadvantaged is needed in English Language Arts and Math.
- Increase opportunities for classroom activities (PBL) integrating several standards across the grade level curriculum is needed to prepare students for college and career.
- More planning and collaborating time for teachers within and across grade levels is needed to deepen knowledge of new standards and new curriculum across several different content areas.
- Additional preparation time (individual) in classroom for Science.
- Co-Teaching training and support TK-5 is needed to support students in the Least Restrictive Environment (LRE).

Develop data-based, individual

Site Strategy: Village Elementary seeks to ensure all students experience personalized learning based on their academic strengths and needs, and personal interests and aspirations.

Communication (Goal 2)

Intent: Communicate openly, freely, and accurately to engage and involve all shareholders.

Classrooms to Families, School to Community/Families

Identified Need:

- Currently there is inconsistent usage of Haiku and VES as a communication tool for parents.
- More parent communication regarding progress reports, report cards, grading criteria, and meaning of grades is needed.
- Simplified explanations, time frames of the MAP window, purpose of the NWEA MAP assessments, and directions on how to interpret scores (for teachers and parents) is needed.

Site Strategy: Village Elementary seeks to ensure communication systems between and among all shareholders are effective.

Support (Goal 3)

Intent: Maintain safe and supportive schools where students and staff thrive.

Identified Need:

- Comprehensive Districtwide School Safety Plan for a disaster.

Site Strategy: Routine announced and unannounced drills-fire, lockdown, and earthquake. Safe and clean facilities. Thorough/complete VES Safety/Disaster Plan. Districtwide safety system coordinated with community stakeholders.

VES Demographics 2017/18 786 TK-5 students

168 New incoming Aug 2017 (21%)

46 English learners (11%)

227 Military-dependent (29%)

96 Special education (12%)

3 Intra-district

83 Inter-district (11%)

School Profile

GREATEST PROGRESS

- Personalized Education Plans (PEPs) created with all English Learners.
- Personalized Education Plans (PEPs) created with all students in MATH.
- PE for grades 1-3 to support small guided reading groups 5 days per week.
- Increased focus on social/emotional support for all students utilizing both the school counselor (LCSW) and the Military Family Life Counselor (MFLC) at both Village Main and ECDC campuses providing whole group, small group, and individual counseling sessions and classroom lessons.
- Increased amount of professional development for staff regarding areas of interest.
- Increased before and after school extension activities for students.
- Increased announced practice drills during inconvenient times of day.
- Increased staff education on Multi-Tiered Systems of Support (MTSS).
- ELA CAASPP 3rd grade 72% - 5% increase from 16/17
- Math CAASPP 3rd grade 79% - 5% increase from 16/17
- Math CAASPP 4th grade 66% - 7% increase from 16/17
- Year 3 implementation of a co-teaching model for MATH in grades K-5.
- Year 3 implementation of full/appropriate inclusion in grades K-5.
- Year 4 implementation of a full inclusion preschool.

GREATEST NEEDS

- Increase performance of students with disabilities and socioeconomically disadvantaged in English language arts and math.
- Increased parent communication regarding progress reports, report cards, grading criteria and meaning of grades.
- Social/emotional curriculum for students in grades 1-5.
- Increased opportunities for classroom activities (PBL) integrating several standards across the grade level curriculum.
- More planning and collaborating time for teachers within and across grade levels.
- Co-Teaching training and support (TK-5).
- Alignment between Fall parent/teacher conferences (NOV) and end of 1st semester report card (FEB).
- Alignment of assessment calendar to grading periods.
- Increased monthly practice drills and complete development of both site and district safety plans.
- Comprehensive MATH program K-5 to align with CMS CPM.
- Consistency with elementary homework policy/expectations of students/parents.
- District offered elementary assessment, report card, CA Dash Board presentations for parents/community.
- Comprehensive ELA program K-5 for general education (Keep Read Well for Special Education)
- Communication of IEP process (including frequent, consistent feedback) with teachers, parents, and community.
- Clear message to community from District on what last start Thursdays are all about.

LEA plans to address areas of greatest needs for continued improvement in the following manner:

- All teachers in grades K-5 have begun implementing instructional practices using the new NGSS standards and supporting materials (FOSS kits).
- Year 2 implementation of Lucy Calkins writing in all VES classrooms.
- District math TOSA and other professional development opportunities in mathematics have been made available to teachers to support math instructional practices.
- Based on district funding, increase planning and PD days for teachers to refine their practices and remain life-long learners.
- Enrichment Clubs continue to be offered both during students before and after school.
- Band and choir opportunities are now available to students.
- Site and district admin to collaborate with teacher leaders to align Fall p/t conferences with semester timing.

- Site and district admin to collaborate with committee/teacher leaders to align elementary assessment calendar to grading periods and Spring conferences.
- Monthly schedule of various drills created by site admin following district/site safety plan.
- Feedback from staff, students, and parents after different practice drills throughout the year.
- Increase parent communication for students who have IEPs (parent tools, resources, things to work on at home, etc.) to provide clear, consistent message.
- Clear homework expectations from district level to elementary sites/parents/ community.
- Site admin to collaborate with district admin and support district led parent/community information nights.
- Site and district admin to come up with a plan to begin piloting K-5 MATH and ELA program.

PERFORMANCE GAPS

- Students with disabilities and socioeconomically disadvantaged in English language arts and math.
- ELA CAASPP 4th grade – 4% decrease from 16/17
- ELA CAASPP 5th grade – 14% decrease from 16/17
- Math CAASPP 5th grade – 19% decrease from 16/17

INCREASED OR IMPROVED SERVICES

Using the Multi-Tiered Systems of Support (MTSS) model, grade levels, counselors, and administration will provide support through the Student Success Team (SST) process for all students including our military, EL, homeless, low-socioeconomic students, and foster youth sub groups. VES will ensure that these students are identified and placed in appropriate services per need.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Village Strategic LCAP Planning Committee representing all grade levels at Village Elementary from Preschool through 5th grade met on 12/12/17, 1/9/18, 1/23/18, 2/6/18, to discuss Strategic LCAP goals and prepare for the all-day Strategic LCAP community stakeholder meeting. Community all-day presentation and brainstorm session involving all stakeholders occurred on 2/27/18. The site general education teachers, technology teacher, ELD teacher, parents, school board members, special education teachers, community members, district representatives, military parents, parents of English learners, parents of special education students were all present at our all day 2/27/18 meeting. LCAP document was shared with staff on the following Early Release Wednesdays 2/7/18, 2/14/18, 2/21/18, and 2/28/18 and each grade level team provided feedback and input onto the hard copies and returned to administration to reflect current site LCAP. Site Leadership team was consulted at the Leadership meetings and LCAP was discussed at the following Leadership Meetings: 10/17/17, 12/5/17, 1/16/18, 3/6/18, and 4/10/18 and notes from brainstorming session were shared with team. Additionally, the LCAP was shared and discussed at the following School Site Council Meetings: 11/9/17, 1/18/18, 3/15/18. Signatures and approval of all SSC members was received on 4/20/18. A final copy of the site LCAP was sent out electronically to the VES staff, parents, district, SSC, ELAC, and community electronically on 4/30/18.

How did these consultations impact the Strategic Plan/LCAP key actions for the upcoming 2018-19 school year? Brainstorming charts for each Board/district/site goals were shared with all Village Strategic LCAP Committee members on 2/27/18. Notes were categorized and matched appropriately to one or more of the three CUSD Board goals.

Student Population

This section provides information about the school's student population.

2017-18 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
785	10.4%	6.2%	0.1%
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2017-18 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	49	6.2%
Foster Youth	1	0.1%
Homeless	0	0
Socioeconomically Disadvantaged	82	10.4%
Students with Disabilities	112	14.3%

American Indian	3	0.4%
Asian	8	1.0%
Filipino	15	1.9%
Hispanic	148	18.9%
Two or More Races	29	3.7%
Pacific Islander	2	0.3%
White	540	68.8%

Conclusions based on this data:

1. 14.3 % of all students are considered student with disabilities. This is over the national average of 10%.
2. Almost 70% of our students are white, 20% are Hispanic, and 2% are African American or Filipino. Almost 4% are marked 2 or more races.

Goals, Strategies, & Proposed Expenditures

Goal 1

Subject

Learning

Goal Statement

Village Elementary seeks to ensure all students experience personalized learning based on their academic strengths and needs, and personal interests and aspirations.

LCAP Goal

Integrate personalized learning with assessment methods that will prepare all students for academic and vocational success.

Basis for this Goal

- Increased support to students with disabilities and socioeconomically disadvantaged is needed in English language arts and math.
- Increase opportunities for classroom activities (PBL) integrating several standards across the grade level curriculum is needed to prepare students for college and career.
- More planning and collaborating time for teachers within and across grade levels is needed to deepen knowledge of new standards and new curriculum across several different content areas.
- Increased preparation and planning time for the new FOSS Science Curriculum
- Co-Teaching training and support (TK-5) is needed to support students in the Least Restrictive Environment (LRE).
- Additional support and training for one to one writing conferencing with students using the newly adopted Lucy Calkins Writing curriculum.

Expected Annual Measurable Outcomes

Metric/Indicator

- CAASPP ELA: 78% meeting standards
- Writing: Exemplars in each level of mastery in writing for each writing type
- Reading: 75% of students at grade level in reading as measured by DRA/Lexile/MAP

Planned Strategies/Activities

Strategy/Activity 1

1a. VES will provide standards-aligned core curriculum, assessment and high quality instruction to prepare all students to graduate college and career ready.

- Ensure alignment to ELA/ELD Framework
- Continue implementation of LC writing curriculum with a focus on Yr 3
- Pilot new reading curriculum 2019-2020; Implement reading curriculum 2020-2021
- Implement year 2 of NGSS for grades K-5 using FOSS NGSS curriculum
- Explore new HSS framework
- Math - implement high quality math tasks at least 2x/week.
- VAPA - implement Year 2 of Arts for Learning DoDEA grant (arts integration with ELA)
- TK/K – Walk To Read

Goals, Strategies, & Proposed Expenditures

Goal 2

Subject

Communication

Goal Statement

Village Elementary seeks to ensure communication systems between and among all shareholders are effective.

LCAP Goal

Communicate openly, freely, and accurately to engage and involve all shareholders.

Basis for this Goal

Currently there is inconsistent usage of Haiku at VES as a communication tool for parents. Need districtwide search button for all parents to access information.
More parent communication regarding progress reports, report cards, grading criteria and meaning of grades is needed. Grade level appropriate and clear language on report cards is needed.
Alignment between Fall parent/teacher conferences (NOV) and end of 1st semester report card (FEB 1) is needed. Possibly align with CMS and CHS.
Alignment of assessment calendar to grading periods is needed.
Simplified explanations, time frames of the MAP window, purpose of the MAP, and directions how to interpret scores is needed.

Planned Strategies/Activities

Strategy/Activity 1

2.1

Shareholder participation, communication, and engagement will continue to be a priority to support all VES students.

- Implement SMORE Weekly Newsletters to parents.
- Use Intouch communication system to send out reminders per text/email on an as needed basis.
- VES will ensure required parent participation at SSC, ELAC, and encourage parent participation in PTO.
- Strive for 98% participation of parents at fall parent-teacher conferences.
- Parent information nights each year on educational topics related to elementary grades.
- Parent communication and information will be provided on grading and reporting system (grade level appropriate with clear language).
- Refresher MAP training for existing and new teachers.
- Increase number of family events by 1 in 18-19 (Bingo for Books)

Goal Statement

Village Elementary seeks to ensure that the Village Elementary Disaster Preparedness Plan aligns with the Coronado Unified School district's Master Safety/Disaster Preparedness Plan and is supported by the San Diego County Office of Education.

Safety/Supportive School:

- * Safe and Clean Facilities
- * Thorough/Complete VES Safety Plan
- * Intervention and Enrichment before/during/after the instructional day

LCAP Goal

Maintain safe and supportive schools where students and staff thrive.

Basis for this Goal

Comprehensive Districtwide School Safety Plan for a disaster

Planned Strategies/Activities

Strategy/Activity 1

3.1

VES will maintain safe and clean facilities.

- Ingress and egress locations will continue to be staffed appropriately.
- Weekly inspections by site administration of classrooms, playgrounds, and other areas at both campuses will continue with timely reporting of issues to M&O.
- Discuss needs for Crossing Guard at H Ave and 6th street

VES will update its safety plan using new template and hold appropriate safety drills annually.

Continue documentation of monthly safety drills with various focus areas, such as lockdown, fire/evacuation, earthquake, etc.

- Meet with community leaders to expand plan
- Meet with Safety Planning Team to continue to refine and improve upon plan
- Implement practice drills in conjunction with community safety authorities to determine what's working and what needs to be refined
- Incorporate staff and community improvement feedback and suggestions into the plan
- Make needed changes to plan in accordance with new suggestions and determined needs
- Inventory and update supplies needed (per site) to best support safety plans
- Emergency procedures outlined for substitutes and visitors on campus.

3.5

Improve CUSD attendance rates and chronic absenteeism rates for all students.

- Ensure all VES attendance is accurately reported on a daily basis into Synergy.
- Ensure VES attendance clerk and counselor/assistant principal notify parents on a timely basis of absences, including providing official CUSD absence threshold letters to parents on a timely basis.
- Promote and incentivize positive attendance.
- Ensure VES holds appropriate SART meetings for students whose attendance reaches appropriate thresholds.
- Make visible what measures are in place to reward positive student attendance.
- Make visible supports that are in place to support students having attendance concerns.
- Make visible policy and accountability (i.e. credit available) for completed ISC work
- Educate parents as to the benefits of positive student attendance (other than for financial reasons such as ADA money for schools)
- Key actions are dependent on feedback and outcome from previous years.
- Determine need for additional supports which may be helpful or necessary.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

The overall implementation of the strategies/activities was completed with known concerns about relationships and trust at the school site. Much time has been spent this year, rebuilding relationships and trust so that implementation of strategies and activities as mentioned above and below, can take place.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Strategies and programs implemented were strong in nature and student growth was noted. SPED and EL students will continue to receive increased services by highly trained employees.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

On target

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Next Steps: Innovation Lab, Implement Bridges Math adoption with fidelity, explore new ELA adoption, continue PEP plans based on student MAP score data, increase data analysis practices, continue with Sanford Harmony and Restorative Practices, increase FOSS Science lesson implementation. Changes in scheduling and close look at the co-teach model will be examined through data analysis and an action plan creation.

Review PEP plans for whole school implementation per Google Drive. Communicate purpose for PEP plans at the beginning of the year.

Further develop co-teaching training and anti-bias education for our teachers.

Review curricular expectations for Lucy Calkins writing, FOSS Science implementation, Bridges Math materials

Encourage Parents to schedule events around calendared holidays so that students are not missing school.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- Heidi Bergener School Principal
- Susan Keller, Allyson Bans, Tami Bromley, Eveleen Coker, Lindsey Cummins, Crystal Garner Classroom Teachers
- Maribel Kastlunger Other School Staff
- Roelof Roos, Katie Iwashita; Joy Urtnowski; Caitlin Lewis, Tammy Farrier, Dana Allen Parent or Community Members

Name of Members	Role
At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.
