Improving Attendance is a Local Control Accountability Plan Goal

The Local Control and Accountability Plan (LCAP) Goal #3 Action #5 is to improve CUSD attendance and chronic absenteeism rates for all students. Consistent with this goal, we will be providing monthly reports to the Board regarding the efforts of district and site personnel toward implementation of the Goal's five key actions:

- A. Ensure all site attendance is accurately reported daily into Synergy.
- B. Ensure all site attendance clerks and identified site administrators notify parents on a weekly basis of absences, including providing official CUSD absence threshold letters to parents on a timely basis.
- C. Ensure all sites promote and/or incentivize positive attendance.
- D. Ensure all sites hold appropriate School Attendance Review Team and School Attendance Review Board meetings for students whose attendance reaches appropriate thresholds.
- E. Provide reports to the Governing Board on district attendance and enrollment monthly.

Are you planning a family trip for the holidays? As you think about your arrangements, we want to stress the importance of sending your child to school every day possible. Every year, absences spike in the weeks before and after the winter holiday as families squeeze in a few more vacation days. It's time to break that cycle. We know that just a few missed days here and there, even if they're excused absences, can add up to too much lost learning time and put your child behind in school.

We recognize that holidays are an important time for reconnecting with families far away. The costs of plane tickets often influence when you want to travel. But keep in mind the costs to your children's education if they miss too much school— and the message you will be sending about the importance of attendance. Even if you've got a homework packet from the teacher, it doesn't make up for the interaction and learning that happens in the classroom. Our teachers will be teaching, and our students will be learning, right up until vacation starts and the first day back.
