Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The three goals outlined in this SPSA (Learning, Communication and Support) directly align to Coronado Unified School District's the Board Goals, three LCAP goals, the LRP goals and the LCAP Federal Addendum.

CUSD

Vision: We inspire, innovate, and create limitless opportunities to thrive.

Mission: Quality Education for Life - Through rigorous academic standards, high expectations, and a coordinated curriculum, the Coronado Unified School District, in partnership with our community, will graduate students with the knowledge and skills necessary to excel in higher education, careers, society, and life with the confidence not only to dream, but to determine their futures.

Our Board Goals:

1. **LEARNING:** Integrate personalized learning with assessment methods that will prepare all students for academic and vocational success.
2. **COMMUNICATION:** Communicate openly, freely, and accurately to engage and involve all shareholders.
3. **SUPPORT:** Maintain safe and supportive schools where students and staff thrive.

Village Elementary

Learning (Goal 1)

Intent: Village Elementary seeks to integrate personalized learning with assessment methods that will prepare all students for academic and vocational success. Village Elementary seeks to ensure that, through data-driven decision making, intervention and enrichment experiences, and social/emotional services support all students' needs.

Identified Need:

- Increased support to students with disabilities and socioeconomically disadvantaged is needed in English Language Arts and Math.
- Increase opportunities for classroom activities (PBL) integrating several standards across the grade level curriculum is needed to prepare students for college and career.
- More planning and collaborating time for teachers within and across grade levels is needed to deepen knowledge of new standards and new curriculum across several different content areas.
- Additional preparation time (individual) in classroom for Science.
- Co-Teaching training and support TK-5 is needed to support students in the Least Restrictive Environment (LRE).

Develop data-based, individual

Site Strategy: Village Elementary seeks to ensure all students experience personalized learning based on their academic strengths and needs, and personal interests and aspirations.

Communication (Goal 2)

Intent: Communicate openly, freely, and accurately to engage and involve all shareholders.

Classrooms to Families, School to Community/Families

Identified Need: Currently there is inconsistent usage of Haiku and VES as a communication tool for parents.

?More parent communication regarding progress reports, report cards, grading criteria, and meaning of grades is needed.

?Simplified explanations, time frames of the MAP window, purpose of the NWEA MAP assessments, and directions on how to interpret scores (for teachers and parents) is needed.

Site Strategy: Village Elementary seeks to ensure communication systems between and among all shareholders are effective.

Support (Goal 3)

Intent: Maintain safe and supportive schools where students and staff thrive.

Identified Need: Comprehensive Districtwide School Safety Plan for a disaster.

Site Strategy: Routine announced and unannounced drills-fire, lockdown, and earthquake. Safe and clean facilities. Thorough/complete VES Safety/Disaster Plan. Districtwide safety system coordinated with community stakeholders.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

CUSD facilitates multiple surveys throughout the year to gather feedback from parents, staff and students via Thoughtexchange.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The CUSD Certificated Evaluation Process requires: three formal observations for probationary or temporary teachers in their first two years of teaching in the district, one annual formal observation for intermediate teachers (years 3-6), and biennial observations (formal or series of informal) for experienced teachers. Frequent informal walkthrough observations of teachers occur on a daily and weekly basis.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

MAP, CAST, DRA, and CAASPP

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

small intervention and reading groups recalibrated by DRA, MAP, ReadWell levels, unit assessments

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All staff currently qualify

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

Access to district and county professional development

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

time allotted for Bridges Prep, collaboration, grade-level articulation, and individualized planning and data assessment

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

ToSAs in math, science, ELA/ELD, technology, program coordinator in SpEd

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Wednesday meeting rotations

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

District adopted curriculum is vetted by SDCOE

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Schedule allows for --- time for math and ___ time for ELA weekly

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

PEP time, Bridges Intervention, Reading groups

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Bridges Math and Intervention and newly piloted Benchmark ELA curriculum. Full adoption and implementation and training in 2020-2021

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

Bridges Math and Intervention

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

small reading group rotations, PEP time in schedule

Evidence-based educational practices to raise student achievement

small-group instruction, guided reading, number talks,

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Fiscal support (EPC)

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

CUSD hosted a community-based all-day presentation and brainstorm session involving all stakeholders occurred on 2/27/18. The site general education teachers, technology teacher, ELD teacher, parents, school board members, special education teachers, community members, district representatives, military parents, parents of English learners, parents of special education students were all present at our all day 2/27/18 meeting.

Site Leadership team was consulted at the Leadership meetings and SPSA was discussed at the following Leadership Meetings: 2/20/2020 and notes from brainstorming session were shared with team.

Additionally, the SPSA was shared and discussed at the following School Site Council Meetings: 2/28/2020 and 3/15/2020

Signatures and approval of all SSC members was received on 3/2020. A final copy of the site SPSA was sent out electronically to the VES staff, parents, district, SSC, ELAC, and community electronically on 3/2020.

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

There are no resource inequities identified at this time.

Grade 4	147	147	120
Grade 5	138	157	172
Total Enrollment	803	785	837

Conclusions based on this data:

1. Slight increase in enrollment over time, but not enough to severely impact funding at this point.
2. Student group demographics have relatively stayed the same % for 3 years in a row.

Conclusions based on this data:

1. We had 9 more English Learners in 2018-2019 than the previous year.
2. Scaled scores on the ELPAC assessments show growth in all areas for 5th grade students. Data in grades K-4th is inconclusive due to lack of presented data.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Learning

LEA/LCAP Goal

Integrate personalized learning with assessment methods that will prepare all students for academic and vocational success.

Goal 1

Village Elementary seeks to ensure all students experience personalized learning based on their academic strengths and needs, and personal interests and aspirations.

Identified Need

Work within the new bell schedule, in identified Intervention and Extension instructional blocks, to provide instruction at the students' academic and social-emotional level. Instruction to include: PEP goals and student planning, Genius Hour Projects, Intervention and Enrichment opportunities for ELA and Math, individualized computer reinforcement and extension of grade level standards.

Annual Review

SPSA Year Reviewed: 2018-19

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Overall implementation of the strategies/activities are as described. VES piloted two ELA curriculums this year, Adoption of the new Benchmark curriculum will take place in 2020-2021.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Overall implementation of the strategies/activities are as described. There are no major differences.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

No changes were added to this goal. Additions are found in the activities.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Heidi Bergener	Principal
Maribel Kastlunger	Other School Staff
Susan Keller	Classroom Teacher
Jennifer Vernallis	Classroom Teacher
Tanya White	Other School Staff
Caitlin Lewis	Parent or Community Member
Joy Urtnowski	Parent or Community Member
Roelof Roos	Parent or Community Member
Katie Iwashita	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 3/2/20.
