2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Coronado Unified School District (CUSD) is a preschool through adult education district located in the city of Coronado near San Diego. CUSD staff members strive every day to ensure our vision and mission statements are fulfilled through our students' well-being and preparedness for their futures. The District is contiguous with the boundaries of the entire Coronado community. All information about our schools and programs can be found at www.coronadousd.net

Our Vision:

We inspire, innovate, and create limitless opportunities to thrive.

Our Mission:

Quality Education for Life - Through rigorous academic standards, high expectations, and a coordinated curriculum, the Coronado Unified School District, in partnership with our community, will graduate students with the knowledge and skills necessary to excel in higher education, careers, society, and life with the confidence not only to dream, but to determine their futures.

Our Board Goals:

1. **LEARNING:** Integrate personalized learning with assessment methods that will prepare all students for academic and vocational success.
2. **COMMUNICATION:** Communicate openly, freely, and accurately to engage and involve all shareholders.
3. **SUPPORT:** Maintain safe and supportive schools where students and staff thrive.

The Basics:

- Locally elected five-member Board of Education; superintendent employed by the Board
- Four schools: Coronado High School, Coronado Middle School, Silver Strand Elementary School, and Village Elementary School
- 372 employees: 193 certificated (teachers, counselors, speech therapists, etc.); 159 classified (instructional assistants, custodians, maintenance and grounds staff, etc.); 20 certificated and classified administrators (superintendent, assistant superintendent, principals, assistant principals, directors)
- Enrollment: 3064 (CBEDS October 2016)
 - Coronado High School: 1211 students
 - Coronado Middle School: 709 students
 - Village Elementary: 803 students
 - Strand Elementary: 335 students
 - Non-public schools: 6 students
- Demographics (2016-17):
 - 11.7% interdistrict transfer students, including children of parents who work but don't live in Coronado; 11.65% students with Individual Education Plans (IEPs)
 - 36% of students are connected to military (based on federal survey cards completed annually)
 - Strand Elementary: 79%
 - Village Elementary: 40%
 - Coronado Middle School: 37%
 - Coronado High School: 28%
 - Total Unduplicated Count: 10.8%
 - English Learners 3.2% (98 students); Socioeconomically Disadvantaged Students 7% (332 students); Foster Youth and Homeless Students: ~.001% (4 students)
- Achievement:
 - Graduation rate: 97.6% (4-year cohort graduation rate for the class of 2015-16)
 - UC A-G rate: 80% in 2015-16
 - Advanced Placement: 33.3% participation rate in 2015-16 with a pass rate of 73%
- Programs and Services that we are proud to include in our instructional program:
 - 1:1 devices to students, with a robust network infrastructure
 - STEAM courses and enrichment offerings in Science, Technology, Engineering, Arts, and Math and several that integrate these content areas, including Robotics and Computer Science
 - Many Advanced Placement courses
 - Career Technical Education (CTE) courses and CTE pathways in Engineering and Engineering Design; Health Sciences and Medical Technology, Design, Visual, and Media Arts; Performing Arts; Production and Managerial Arts; and Cabinetmaking, Millwork, and Woodworking
 - Coronado School of the Arts (CoSA), a conservatory arts program within Coronado High School, offering 6 conservatories.
 - Four Department of Defense Education Activity (DoDEA) grants; currently under operation are *Project M3: Mathematics, Mindset and Mastery* (1.25 million dollars through 2020) and *Project Arts for Learning* (1.25 million dollars through 2021); a 2017 grant application was submitted focused on reading and STEAM education (pending notification circa early August 2017)
 - Silver Strand State Preschool and Crown Preschool, programs for three and four-year-old children
 - NJROTC
 - Athletics at Coronado Middle and High Schools
 - Adult education classes

CUSD and our shareholders are very proud of our incredible students and of the entire staff of dedicated, talented certificated and classified employees who support them!

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

Key features in the 2017-18 LCAP are the following:

- Preparing students for college and career is both a CUSD strength of our district due to the dedicated and professional certificated, classified, and administrative staff, as well as our caring, involved families and community. This plan outlines several key actions to maintain that focus and support content areas that are transitioning to new standards, frameworks, and assessments. College and career readiness is evidenced by many metrics including CHS graduation rate, UC A-G rate, Advanced Placement participation and achievement, SBAC achievement scores. (Goal 1, Actions 1-5; Goal 3, Actions 3 and 4).
- Most Coronado students feel supported, connected to, and safe at school, as evidenced by results from the CA Healthy Kids Survey and many social emotional supports that are in place.
- CUSD strives to deliver personalized learning for all students, and personalized professional development for staff. Classified staff professional development is increasing and an area of focus for SY 2017-18.
- Academic systems to support general education students who are not meeting grade level standards continue to be a need, and there are several key actions relating to assessment, data analysis, and provision of interventions to support their growth, especially considering a growing English Learner population, and our highly mobile, large military population. Professional development for coteaching and an understanding of universal design for learning is a priority for all sites.
- Communication key actions support steps to continue to survey shareholders throughout the year, simplify communication systems from the district and schools to parents, and restructure communication between the District Office and Learning Department with each elementary grade level and secondary department. (Goal 2, Actions 1 and 2)
- There is significant shareholder input into the 2017-18 LCAP, which was ongoing throughout the 2016-17 school year. (Goal 2, Action 1)

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

GREATEST PROGRESS

Coronado Unified School District has no CA School Dashboard indicator for "all" students that are in the red or orange category.

The Coronado High School graduation rate maintained its status as being the highest in San Diego County among unified school districts, at 96.4% (2015-16 data).

40 graduates received the distinction of the Seal of Biliteracy in 2016 (Year 1); 23 graduates will receive this honor in 2017 (Year 2).

More students took more Career Technical Education (CTE) courses in 2015-16 due to new CTE course additions per Career Technical Education Incentive Grant (CTEIG), and 99% of students in CTE capstone courses maintained a "C" or better.

In 2015-16, the AP achievement rates for students scoring a 3, 4, or 5 increased to 73% (+1% higher than expected). The percent of students scoring a 5 increased by 2% (1% higher than expected). These outcomes were MET.

Per CA School Dashboard, spring 2016 data on student achievement in English Language Arts shows that CUSD status was maintained in the Very High range, including Silver Strand and Village Elementary Schools, and Coronado Middle School (CHS data will be included in the college and career readiness indicator, available in

the future). 2016 data on student achievement in mathematics was maintained in the High Status Range for Silver Strand and Village Elementary Schools, and Coronado Middle School, with the highest increases at Village Elementary School. 2016 data on student suspension shows that suspensions decreased at Coronado High School.

CUSD was the recipient of a 2016 Department of Defense Education Activity (DoDEA) Grant for 1.25 million to support TK-12 arts integration through 2021 via *Project Arts for Learning*. This is the fourth grant that CUSD has received from DoDEA. Currently, *Project M3: Mathematics, Mindset, and Mastery* is also being implemented with evidence of growth in mathematics instruction and student achievement (through 2020).

Military-connected students remain CUSD's largest subgroup, crossing all other demographic subgroups (~39% in 2016-17). Spring 2016 SBAC data shows that military-connected students performed better in ELA over non-military students by 1% and by 5% in mathematics. Military-connected students also showed academic gains of 1% in ELA over Spring 2015 SBAC and 9% in math.

As the number of CUSD English Learners grew from 81 in 2015-16 to 98 in 2016-17, with additional increases to the Reclassified Fluent English Proficient population, more robust services were added support these students, including additional designated instructional time in English Language Development, improved instructional resources, and district oversight of all components of the EL program.

In 2016-17, 80% of English Learners made at least one year's growth as measured by CELDT, an increase of 6.5% over 2015-16. In addition, the percent of students reclassified increased by 20%, from 19% in 2015-16 to 40% in 2016-17. See Goal 1, Action 2 and Goal 3, Action 4.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

Per CA School Dashboard and other CUSD data, recent data shows that approximately 27% of CUSD students district-wide are underperforming in English Language Arts and 35% in mathematics based on 2016 SBAC and MAP results. Demographic subgroups referenced below are subgroups of the total percent of underperforming students. See Goal 1, Action 1.

- Reclassified Fluent English Proficient students (~3%), Socioeconomically Disadvantaged Students (8%), and Students with Disabilities (11.65%) are not performing as high as White (73%) and Asian (3%) subgroups. See Goal 1, Action 2 and Goal 3, Action 4).
- Students who are socio-economically disadvantaged (#112), Students with Disabilities (#188), and students who have Two or More Races (#86) are either not performing at mastery level in English language arts or whose performance has declined, per CA School Dashboard. See Goal 1, Action 3
- In spring 2016, the ELA performance of Students with Disabilities was 27.9 points below level 3, and they also declined 13.7 points over spring 2015 (#188). See Goal 1 Action 2 - 3; Goal 3, Action 6
- In spring 2016, the ELA performance of Socioeconomically Disadvantaged Students declined 5.8 points over spring 2015 (#112). See Goal 1, Action 3.
- In spring 2016, the ELA performance of Students with Two or More Races declined 1.6 points over spring 2015 (#86). See Goal 1, Metric 6;
- Per spring 2016 data, Students with Disabilities (#188) and students who are

Asian (#38) are either not performing at mastery level in mathematics or whose performance has declined, per CA School Dashboard. See Goal 1, Action 3.

- In spring 2016, the mathematics performance of Students with Disabilities (#188) was 48.1 points below level 3, and they also declined 9.2 points over spring 2015. See Goal 1, Action 3.
- In spring 2016, the mathematics performance of Asian students (#38) declined significantly by 11.9 points over spring 2015. See Goal 1, Action 3.
- Per 2014-15 data, suspensions increased at Coronado Middle School (52 students (6.6%) from 45 students (5.6% from the previous year), especially for students who are white, socioeconomically disadvantaged, and Hispanic/Latino students. See Goal 3, Action 6.
- Per 2014-15 data, the graduation rate for students who are Hispanic or Latino decreased by 3.5%, the difference between the 2014-15 graduation rate of 92.7% and the prior three-year average of 96.2%. See Goal 3, Action

CUSD will address these performance gaps by ensuring timely data analysis, placement in supports, and monitoring of all student subgroup performance per all state indicators by site administration working more closely with identified and trained Teachers on Special Assignment in Mathematics/Science and ELA/ELD, Student Services Department leadership, and new teacher data leaders for each elementary grade level and secondary department, a new structure for oversight of data/monitoring, professional learning, and communication. See Goal 3, Action 3

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these performance gaps?

Per academic performance gaps on CA School Dashboard:

- Recent data shows that approximately 27% of CUSD students district-wide are underperforming in English Language Arts and 35% in mathematics based on 2016 CAASPP and MAP results. Overall, Reclassified Fluent English Proficient students (3%), Socioeconomically Disadvantaged Students (8%), and Students with Disabilities (11.65%) are not performing as high as White (73%) and Asian (3%) subgroups.
- Students who are socio-economically disadvantaged (#112), students with disabilities (#188), and students who have Two or More Races (#86) are either not performing at mastery level in English language arts or whose performance has declined, per CA School Dashboard.
 - In spring 2016, the ELA performance of Students with Disabilities was 27.9 points below level 3, and they also declined 13.7 points over spring 2015.
 - In spring 2016, the ELA performance of Socioeconomically Disadvantaged Students declined 5.8 points over spring 2015.
 - In spring 2016, the ELA performance of Students with Two or More Races declined 1.6 points over spring 2015.
- Students with Disabilities (#188) and students who are Asian (#38) are either not performing at mastery level in mathematics or whose performance has declined, per CA School Dashboard (only one level below “all”).
 - In spring 2016, the mathematics performance of Students with Disabilities was 48.1 points below level 3, and they also declined 9.2 points over spring 2015.
 - In spring 2016, the mathematics performance of Asian students declined significantly by 11.9 points over spring 2015.
- The overall suspension rate for students who are English Learners, Students with Disabilities, Students who are African American, and Students who are Two of More Races were in the orange range. The

PERFORMANCE GAPS

overall suspension rate for students who are socioeconomically disadvantaged and Asian were in the red range. See Goal 3, Action 6.

CUSD will address these performance gaps by ensuring timely data analysis, placement in supports, and monitoring of all student subgroup performance per state indicators by site administration working more closely with identified and trained Teachers on Special Assignment in Mathematics/Science and ELA/ELD, Student Services Department leadership, and new teacher data leaders for each elementary grade level and secondary department, a new structure for oversight of data/monitoring, professional learning, and communication.

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

CUSD will ensure timely and ongoing data analysis, placement in appropriate services, and ongoing monitoring for all unduplicated student populations, including CUSD's growing EL population.

CUSD will increase EL District Resource Teacher position from .5 FTE to 1.0 FTE with a stronger focus on the ELA/ELD Framework as a guiding document. The TOSA will serve as overall case carrier for monitoring district EL and RFEP performance.

Dedicated professional development for teachers and paraprofessionals on integrated English language development (ELD) instructional strategies and universal design for learning is planned for the coming years.

Based on data and available resources, CUSD will increase intervention services and ensure that unduplicated populations are served, overseen by the Learning and Student Services departments.

Achieve 3000 will be purchased on a broader scale to improve literacy/reading for identified students in grades 6-12.

ANNUAL MEASURABLE OUTCOMES

EXPECTED

1. Students will receive instruction that is aligned to the Common Core State Standards, ELD standards, and increasingly aligned to Next Generation Science Standards.
2. All students will have standards-aligned instructional materials, as measured by annual inventory/Sufficiency of Instructional Materials, professional development documents (topics, participants, and expenses)
3. 100% of CUSD teachers will be appropriately credentialed and assigned as evidenced by annual credential audit (maintain baseline).
4. Achievement in English Language Arts and mathematics for grades 3-8 and 11 will increase 3% over spring 2015 baseline, including for Students with Disabilities, English Learners/RFEP students, Low Income/Foster/Homeless Youth, and military-connected students.

ACTUAL

1. This outcome was MET, based on student CAASPP scores including a transition plan for NGSS was developed. See 2016-17 Metrics for Goal 1.
2. This outcome was MET, per Williams report to the Governing Board 10-20-2016. This includes a variety of instructional materials including textbooks, teacher-created instructional materials, and licenses.
3. This outcome was MET, per internal audit.

4. This outcome was MET in mathematics (+5% overall growth) but not in ELA (-1% overall growth). For additional information, go to www.coronadousd.net/learning-instruction/assessment.

-In spring 2016, the ELA performance of Socioeconomically Disadvantaged Students declined 5.8 points over spring 2015.

-In spring 2016, the ELA performance of Students with Two or More Races declined 1.6 points over spring 2015.

- In spring 2016, the achievement of military-connected students in ELA was 75% meeting or exceeding standards, 1% higher than non-military students.

-Students with Disabilities and students who are Asian are either not performing at mastery level in mathematics or whose performance has declined, per CA School Dashboard.

-In spring 2016, the mathematics performance of Students with Disabilities was 48.1 points below level 3, and they also declined 9.2 points over spring 2015.

-In spring 2016, the mathematics performance of Asian students declined significantly by 11.9 points over spring 2015.

- The achievement of military-connected students in mathematics was 68% meeting or exceeding standards, 5% higher than non-military students.

5. This outcome for EAP was NOT MET in ELA and MET in math.

-Gr 11 Students who are considered *Ready* in ELA (Standard Exceeded): 35% (-8% over 2015) and Gr 11 Students who are considered *Conditionally Ready* in ELA (Standard Met): 36% (-2% over 2015).

-Gr 11 Students who are considered *Ready* in Math (Standard Exceeded): 27% (+7 over 2015) and Gr 11 Students who are considered *Conditionally Ready* in ELA (Standard Met): 28% (-2% over 2015).

6. This outcome for science was MET overall (+5 overall growth) except for socioeconomically disadvantaged students; 62% of those students met or exceeded standards. For additional information, go to www.coronadousd.net/learning-instruction/assessment.

7. Secondary ONLY: Per new CDE/Create CA Database, (2014-15 data per CALPADS; at present, there is no available data for elementary grades.)

-CUSD Secondary Participation Rates:

-Art 19%

8. 100% of English Learners will make annual progress towards becoming English proficient as measured by annual CELDT scores and AMAO reports.
9. EL Reclassification rate will increase by 2% over 2015 baseline.
10. Long-term English learner rate will be 0 students will be maintained (baseline).
11. The District UC/CSU (A-G) completion rate of 73.2% in 2014-15 (CHS 76%; Palm Academy 0%) will increase by 2% in 2015-16.
12. AP course participation rate of 38% in 2014-15 rate will be maintained in 2015-16.
13. The AP achievement rates of 72% of students scoring a 3, 4, or 5 and 13% of students scoring a 5 in 2014-15 will increase by 1% in 2015-16.
14. The percent of students (duplicated) participated in CTE courses will increase by 2% over the 2014-15 rate.
15. The baseline of 100% of students who receive a “C” or better in capstone CTE courses will be maintained.
16. 100% of students and teachers have access to multimedia computers and digital content connected to the network in all classrooms, school computer labs, and the library during the school day (maintain baseline).

-Music 8%
 -Theater 7%
 -Dance 1%
 -Arts Media Entertainment (AME) 43%
 Participation in the above areas are ABOVE the state average except in music and dance. Number of Arts Educators/Ratio of Arts Educators to Students: 22/94.86, ABOVE the state average. For additional information, go to <http://www.createca.dreamhosters.com/interactive-dashboard/>

8. In 2016-17, 80% of English Learners made annual progress of at least one level on CELDT level towards becoming English proficient. This outcome was NOT MET.
9. EL Reclassification rate for 2016-17 is 40%, a 20% increase as compared to the 2015-16 reclassification rate of 19%. This outcome was MET.
10. In 2016-17, CUSD increased the number of long-term English learners from 0 to 2 (new enrollees since last year). This outcome was NOT MET.
11. The District UC/CSU (A-G) completion rate was 78.5% in 2015-16 (CHS 81.3% (Palm Academy 0%; +5.3 growth overall.) This outcome was MET.

13. In 2015-16, the AP achievement rates for students scoring a 3, 4, or 5 increased to 73% (+1% higher than expected). This outcome was MET. The percent of students scoring a 5 increased by 2% (1% higher than expected). This outcome was MET.
14. The percent of students (duplicated; 1016/1238) who participated in CTE courses in 2015-16 was 82%, an increase of y 30% over the 2014-15 rate of 52% (631/1211). This increase was due to new CTE courses added due to CTEIG (CTE Incentive Grant). This outcome was MET.
15. The percent of students who received a “C” or better in capstone CTE courses was 99% (2/210). This outcome was NEARLY MET.
16. 100% of students and teachers have access to multimedia computers and digital content connected to the network in all classrooms, school computer labs, and the library during the school

17. Students and teachers will be digitally literate (K-5 students will continue instruction based on CUSD K-5 Technology Scope and Sequence/Metrics TBD; gr 6-12 version is planned to be developed in 2016-17)
18. 100% of all teachers will have access to and receive training on academic data systems in order to use data to make instructional decisions.
19. The 4-year cohort graduation rate of 98.0% in 2014-15 and the CHS graduation rate of 98.6% in 2014-15 will be maintained for 2015-16 (data reported a year in arrears).
20. District and site API scores will be maintained as measured by CDE criteria (pending new accountability guidelines due in fall 2016 by the CDE).

day (baseline maintained).

17. Metrics have not yet been developed for this outcome.
18. Baseline data will be collected in 2017-18. This will include CA School Dashboard, CAASPP Results Portal, and Multiple Measures Assessment and Reporting System (MMARS).
19. The 4-year cohort graduation rate for the class of 2015-16 was 97.6 (data reported a year in arrears; -1% over previous year). This outcome was NOT MET.
20. API is no longer CA accountability system; data in the CA School Dashboard has replaced it.

appropriately credentialed and assigned teachers as evidenced by credential audit.

- **Achievement:**

- The achievement of students in grades 3-8 and 11 in English Language Arts and mathematics will improve 3% over spring 2015 baseline as measured by Smarter Balanced Assessments.
- The achievement of English learners and reclassified fluent English proficient students in grades 3-8 and 11 in English Language Arts and mathematics will improve 3% over spring 2015 baseline as measured by Smarter Balanced Assessments.
- The achievement of students with disabilities in grades 3-8 and 11 in English Language Arts and mathematics will improve 3% over spring 2015 baseline as measured by Smarter Balanced Assessments; The achievement of students with disabilities in grades 3-8 and 11 in English Language Arts and mathematics will be baseline as measured by California Alternate Assessment (spring 2016).
- The achievement of low income, homeless, and foster youth in grades 3-8 and 11 in English Language Arts and mathematics will improve 3% over spring 2015 baseline as measured by Smarter Balanced Assessments.
- The achievement of military dependent students in English Language Arts and mathematics will be equal to that of non-military dependent students as measured by Smarter Balanced Assessments.

- **Analyze Student Data to Improve Student Learning:** Training for all teachers on the data portal Multiple Measures Assessment Reporting System (MMARS) will occur in 2016-17, which will include SBAC and MAP data.

- **Graduation Rates:** Graduation rates will be maintained.

- **Course Options:** CUSD will strive to maintain current number of electives, which exceeds the state average, Career Technical Education courses, and intervention sections and supports using all available resources to ensure that students'

and assigned teachers as evidenced by internal credential audit.

- **Achievement:**

- See #4 above in section called Actual Annual Measurable Outcomes.

- **Analyze Student Data to Improve Student Learning:** Training for all teachers on the data portal Multiple Measures Assessment Reporting System (MMARS) occurred for TOSAs and administrators. There were various trainings on MAP and CAASPP data portals.

- **Graduation Rates:** See #19 above in section called Actual Annual Measurable Outcomes.

- **Course Options:** CMS maintained its current course options in 2016-17. CHS added to its current number of electives, which exceeds the state average, Career Technical Education courses, and intervention sections and supports using all available resources to ensure that students' individual needs are MET including but not limited to DoDEA

individual needs are MET including but not limited to DoDEA Project M3, federal Title I and Title III, Targeted Instruction and Improvement Grant (TIIG) funds, and LCFF Base and Supplemental funds. Coronado High School's Palm Academy program will be available for identified students into CHS, as well as independent study (SOLO program) and blended model online course options for students.

- **Visual and Performing Arts:** CUSD will develop units of instruction integrating CA visual and performing arts standards with English language arts standards for all grades (PENDING: DoDEA 2106 Arts for Learning grant application). Also, expand video production learning to the elementary level.
- **Instructional Materials:** Purchases of instructional materials will follow guidelines established in 2015-16 school year based on Education Code, Williams Law, Board Policies and philosophies, CUSD instructional materials budgets, new adoption timelines for CCSS ELA/ELD and NGSS, quality of adoption materials, and ensuring that teachers' expertise and consultation is a significant part of the process. Instructional Materials include traditional print-based materials, manipulatives/equipment, and digital resources. Digital resources depend on a highly functioning, reliable network infrastructure and devices.

BUDGETED

Purchase of standards-aligned curriculum:

General Fund set aside: \$364,560 balance total funds for all textbooks and adoptions; this funding is not replaced each year and must last for the foreseeable future. This fund may also be used to support digital textbook initiatives.

Lottery Funds (restricted and unrestricted): \$225,161

For consumables and licenses

Fund 40: \$300,000 in one time funds to support

Project M3, federal Title I and Title III, Targeted Instruction and Improvement Grant (TIIG) funds, and LCFF Base and Supplemental funds. CHS courses added included English Language Development for CHS; Home Economics (2 sections; a new CTE course); and Basic Life Support (1 new section, a new course offering in existing Patient Care Pathway). CHS did not offer the Big History course in 2016-17. Palm Academy (CHS alternative high school program) provided support for approximately 25 identified students (~2% of student population), as well as part-time and full-time independent study (SOLO program) for approximately 27 students (2% of student population). ~113 students (9% of student population) participated in credit recovery.

- **Visual and Performing Arts:** DoDEA 2106 Arts for Learning grant was awarded in fall 2016; a project director was hired, a leadership team formed, and planning for integrated arts instruction with ELA and/or history began to be implemented fall 2017-June 2021.
- **Instructional Materials:** Purchases of instructional materials followed Ed Code and District guidelines. Instructional Materials included traditional print-based materials, manipulatives/equipment, and digital resources. Major purchases were College Preparatory Mathematics (CPM) for grades 6-12 and Delta Education NGSS Foss Kits for grades K-5.

ACTUAL

Purchases of standards-aligned curriculum included the following in 2016-17:

LCFF Base:

ACTUAL

(Labeled as 1c on 16-17 LCAP) All schools provided academic learning supports including differentiated instruction for all students to decrease achievement gaps and engage students, with a focus on accelerating learning.

- **Multi-Tiered Support Services:** All sites provided Academic Support for identified students in English language arts and mathematics. Sites began to use CUSD Multi-Tiered System of Supports (MTSS) Framework as its foundation. Elementary Academic Support and Enrichment (ASE) teachers and secondary intervention teachers collaborated with general education colleagues to determine strategies to decrease learning gaps in these two content areas. Students in grades K-8 were assessed using Measures of Academic Progress (MAP); it was Year 1 of MAP for Primary Grades (MPG) for grades K-1 and some in grade 2. All available data, including MAP, was

(CHS math only for Integrated I and II). CUSD will implement Year 1 of MAP for Primary Grades (MPG) in grades K-2 (only those gr 2 students who have been identified as below proficient readers will use MPG; all other gr 2 students will use MAP). All available data, including MAP, will be used to set goals via personalized education plans to engage students in their learning. Compass Learning personalized tutorials (linked to MAP data) will be available for all students in grades K-8; 1 hour/week usage is highly encouraged. Achieve 3000 (pilot program) will be used for literacy support in grades 6-12, including ELD courses.

- **Low Income/Homeless/Foster Youth Interventions:** All sites will provide Academic Support for identified Low Income/Homeless/Foster Youth students in English language arts and mathematics. See above.
- **Students with Disabilities:** For Students with Disabilities, MAP (RIT), CAASPP, and CAA scores (baseline 2016) will provide information on present levels of performance to determine progress on IEP goals and gauge proficiency.
- **Military Dependent Academic Needs:** Identified military dependent students who are below proficient in mathematics will participate in Academic Support and Enrichment services (elementary) and math support sections (secondary) in order to improve proficiency in math due to frequent relocations resulting in gaps in their learning per DoDEA Grant Project Math, Mindset, and Mastery (Year 2). Military-dependent achievement data will be disaggregated from non-military dependent students in order to ensure military-students' academic needs are being met.

(Labeled as 1d on 16-17 LCAP) English Learners and Reclassified Fluent English Proficient Students will improve reading, writing, speaking, and listening skills in English in order to be college and career ready (Per Title III Improvement Plan):

- Following initial and annual fall CELDT assessment, students will receive designated ELD instruction based on California ELD standards no fewer than 150 minutes/week with a highly qualified certificated teacher.
- Each site will designate an EL Resource Teacher (EL RT) as a case carrier for EL/RFEP students at that site. EL Resource Teachers will work with administration, teachers, parents, and students to create a personalized learning plan for each EL/RFEP student. EL RTs will help to ensure appropriate ELD/SDAIE instruction for students and parent involvement, monitor data, and provide professional development support. EL RTs will assist in D/ELAC.
- CUSD EL Committee will revise reclassification criteria based on new SBAC baseline data in fall 2016 (pending CDE guidance).
- CUSD will hold reclassification celebrations for school site involving students and parents annually.
- Coronado High School/Palm Academy will issue the CA Seal of Biliteracy for graduating seniors who meet the criteria.

(Labeled as 1d on 16-17 LCAP) English Learners and Reclassified Fluent English Proficient Students will improve reading, writing, speaking, and listening skills in English in order to be college and career ready (Per Title III Improvement Plan):

- Following initial and annual fall CELDT assessment, EL students received designated English Language Development (ELD) instruction based on California ELD standards no fewer than 150 minutes/week with a highly qualified certificated teacher. CHS added one section of ELD to its master schedule.
- A .5 FTE EL Resource Teacher (EL RT) to support CUSD was hired in fall 2016. Each site also included an ELD teacher as a case carrier for EL/RFEP students. All EL Resource Teachers worked as a team with administration, teachers, parents, and students to create a personalized learning plan for each EL student. ELD instruction included SDAIE/GLAD strategies. VES maintained its English Learner Advisory Committee, and Silver Strand initiated one. A District ELAC was also re-initiated. CUSD EL Team will revise reclassification criteria based on new CDE guidance when available (pending legislation).
- VES and SSES held reclassification celebrations involving students and parents.
- Coronado High School issued the CA Seal of Biliteracy for graduating seniors who met the criteria (Year 2).
- All CUSD administrators and teachers received some training on CUSD EL/RFEP needs, CA ELD standards, ELA/ELD framework, and research-based best practices such as SDAIE or Project GLAD per federal Title III Improvement Plan.

- All CUSD administrators and teachers will receive professional development training on CA ELD standards, ELA/ELD framework, and research-based best practices such as SDAIE or Project GLAD per federal Title III Improvement Plan.
- District and site administration will use multiple means of communication such as direct phone calls, email, district website blog posting, Twitter, Haiku LMS, and other means to increase D/ELAC parent and community participation.
- Site administration, registrars, and other site staff will be retrained annually on EL/RFEP procedures including Home Language Survey/registrar, updates to local student information system, annual notification requirements, student permanent record documents, and CALPADS data requirements. CUSD will develop a new guidance document for this purpose. These staff members will work closely with site EL RTs to determine CELDT testing eligibility and appropriate placement for students needing these services. Oversight of District data and systems will be conducted by District Bilingual Director (Sr. Director of Learning).

- The EL Team and site administration used multiple means of communication such as direct phone calls, email, district website blog posting, Twitter, Haiku/Powerschool LMS, and other means to increase D/ELAC parent and community participation.
- New guidance was created and revisions made to all EL/RFEP procedures including Home Language Survey/registrar, updates to local student information system, annual notification requirements, student permanent record documents, and CALPADS data requirements. COE ☐ 9 ☐ 10
LOCAL Governing Board Goal 2

ANNUAL MEASURABLE OUTCOMES

EXPECTED

1. Usage data from various communication methods will be reported annually, including Haiku Learning Management System and Synergy ParentVue.
2. Annual surveys will demonstrate an increase in self-reported positive school interactions. Survey procedures are pending Governing Board direction.

ACTUAL

1. 2016-17 Usage data from Haiku/Powerschool Learning Management System (as of April 26, 2017):
 - There were ~874,000 visits by students totaling ~83,000 hours. The top student uses include inbox, calendar, Dropbox, Assessments, first pages, announcements, and discussions.
 - There were ~38,000 visits by teachers totaling ~7,800 hours.
 - There were ~60,000 visits by parents totaling ~3,000 hours.
 - 2016-17 Usage data from Synergy ParentVue (as of May 30, 2017): Approximately 18% of CUSD parents have not accessed this resource. CUSD Tech Dept. staff continues to contact parents to reduce this number.
2. This outcome was MET. Three surveys were issued in 2016-17 to parents on Learning, Communication, and Support (pending). Results from Communication Survey included:
 - Identified areas of strength:
 - 90% of our parents shared (strongly agree / agree) that they understand our district attendance policy.
 - 84% of our parents believe (strongly agree / agree) that school communication with families occurs in an open and respectful manner.
 - 80% of our parents shared (strongly agree / agree) that they are comfortable talking with their son/daughter's teacher(s).
 - Identified areas of growth:
 - Approximately 40% do not feel (neither strongly agree /

3. Required Parent Participation: School and District administrators will monitor SSC, D/ELAC, to ensure 100% compliance with state and federal laws and local needs.
4. District and site strategic planning committees will include parents who represent CUSD student demographics, including military parents, parents of students with disabilities, and parents of English Learner/Reclassified Fluent English Proficient students.
5. 100% of elementary parents will participate in annual parent-teacher conferencing (face-to-face or digital methods); baseline data for elementary and secondary parent conferencing will be collected in 2016-17.
6. The number of parent training opportunities, both virtual and face to face, will increase over 2015-16; parent participation rates will also increase.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.	CUSD continued to provide a variety of ways for parents and the community to access information about our schools and programs, including face to face and virtual methods. CUSD issued two parent surveys on Governing Board Goals (to date, a third parent survey on Support is pending) with improved parent response over previous years' efforts.
Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.	Strong parent feedback was received that CUSD provides too many methods of communication and that they wish for a more streamlined approach to virtual communication and access/portals. Over 650 survey responses were received per the fall and winter parent surveys.
Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.	The actual costs for these key actions was \$5,300 less than expected.
Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.	<p>CUSD will seek to streamline communication by researching a single sign-on system for parents and/or students.</p> <p>CUSD will evaluate, monitor, and train teachers and parents on Haiku/Powerschool learning management system usage and offer more trainings for parents, both face to face and virtually.</p>

Actions/Services

PLANNED

(Labeled as 3a on 16-17) Facilities:

CUSD will continue to maintain safe and clean school facilities. Due to constrained finances, the District has chosen a strategy of “planned degradation” for our school facilities. All facilities will continue to be safe and clean. However, some maintenance will be deferred until necessary in order to stretch our available funds as far as possible. A result of this will be “good” ratings on the Facilities Inspection Tool (FIT) dropping to “fair” in many cases. There are no additional significant projects planned.

ANALYSIS

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

CUSD schools were clean, safe, and in good repair. The CASLE committee was formed, took data, and recommends next steps to the district and Governing Board. Site safety plans underwent a major review and update. Attendance was researched and efforts taken at each school to improve it. Feedback on professional development increased. CUSD maintained strong social emotion supports for all students. 21st century learning continued, however a grade 6-12 Digital Proficiency and Citizenship project did not yet start.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

CUSD shareholders continue to work together to seek solutions to climate in classrooms especially on hot weather days. Administrators and related staff began a concerted effort to ensure attendance procedures are followed, parents are appropriately notified, and incentivize school attendance. Certificated and classified staff feedback on professional development activities increased. The approximate percent of students with Personalized Education Plans was maintained; a Personalized Learning Committee evaluated District efforts to date with recommendations pending. CUSD provided a wide variety of social emotional supports at all levels for CUSD students. Grade 6-12 need to develop a coordinated instructional plan for ensuring digital proficiency and citizenship. CUSD administration and teachers make the most of every available opportunity to collaborate and engage in professional learning.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

For 16-17 Action 3b, material differences between the budgeted and actual expenditures were due to an increase of .8% FTE for counseling and step and column salary increases,
For 16-17 Action 3d, material differences between the budgeted and actual expenditures were that the entire remaining EEF balance through June 2018 was included/budgeted in the 16-17 LCAP, whereas only some of that was spent in 2016-17. The remaining funds are budgeted to be spent in 2017-18 as the deadline for spending these one-time funds is June 30, 2017.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

CASLE recommendations will impact future key actions for classroom climate. Attendance procedures, notifications, training, and incentives will continue to be a priority for all schools. Professional development will be more coordinated under the Learning Department with the planned addition of District TOSAs for various content areas and teacher leaders for each grade level and department. Social emotional support structures will continue. Grade 6-12 Digital Proficiency and Citizenship project will initiate. Professional development will continue to be a focus for all staff, especially as updates to CA adopted content standards and frameworks, instructional materials, assessments, etc. continue in the coming years.

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

-2017-18 District Strategic LCAP Annual Meeting:

Shareholder attendees, which included secondary students, teachers, classified employees, all district and site administrators and principals, district office staff, and representatives of most shareholder groups, provided feedback on 6 topics relating to the LCAP including: personalized learning, communication, multi-tiered systems of support (MTSS), academic achievement, district office support, and professional development. Feedback from each group was incorporated into key actions for each area of the CUSD LCAP/Board Goals for Learning, Communication, and Support. Feedback is incorporated into the “Identified Needs” section before each goal (see pages 34, 50, and 56).

-All CUSD schools:

Each school site’s Single Plan for Student Achievement/Strategic Plan was formatted to align to the LCAP to ensure strong alignment between the district and all school sites creating a significantly improved understanding and use of the LCAP. Each school site held regular School Site Council meetings that included the site’s LCAP, and had a site staff leadership team that was involved in their LCAP/strategic planning process. Input from site annual LCAP meetings, Site Council Meetings, and staff meetings was highly considered in creating each site’s plan.

-Parent Surveys on LCAP/CUSD Board Goals:

3 district-wide parent surveys were issued to gather feedback on LCAP Goal 2 Communication (fall 2016), Goal 1 Learning (winter 2017), and Goal 3 Support (spring 2017). Results are incorporated into the “Identified Needs” section before each goal (see pages 34 and 50), which directly relate to both metrics and key actions in these areas.

-Governing Board meetings and workshops related to the LCAP and budget were held on the following dates:

Notes were kept from each Board meeting and workshop to assist in forming key action and allocate related funds.

-LCAP meetings with shareholder groups were held on the following dates:

Association of Coronado Teachers (ACT):

At the LCAP consultation meeting, the ACT Leadership team provided a document containing questions related to the LCAP and suggestions for revisions to key actions and metrics. All questions were answered in writing, and revisions to the LCAP based on their feedback was provided. Areas revised based on their input include: various language clarifications, inclusion of the number of student in subgroups where improvement is needed, professional development, classroom environment, literacy instruction in electives and core classes, recognition of NGSS for Coronado Middle School, language regarding consistent LMS use, future surveys of staff and students as well as parents, social emotion supports for staff, and others. See Goal 1, Actions 1, 5, 6; Goal 2, Metric 2; Goal 3, Actions 3 and 7

California School Employees Association (CSEA):

At the LCAP consultation meeting, the CSEA Leadership team provided feedback on key actions and metrics. All questions were answered, and revisions to the LCAP included the following: inclusion of the number of students in a subgroup where improvement is needed, inclusion of paraprofessionals in addition to teacher in all professional development references related to instruction, development of a PD plan for all departments of classified employees and use of Educator Effectiveness Funds, inclusion of classified staff on technology-related trainings, and others. See Goal 1, Action 1; Goal 2, Action 2

Parent Leadership Committee:

LCAP draft feedback from this committee aligned with feedback provided in parent surveys for Learning and Communication. In particular, parents requested a simplified communication system (single sign-on), and simplified registration processes. See pages 34 and 50. See Goal 2, Action 1

District and Village Elementary English Learner Advisory Committees:

May 15, 2017 and via email. Parents read through the LCAP goals related to English Learners, and made no recommendations for changes and expressed satisfaction with the LCAP key actions. Parents in attendance committed to assisting CUSD with marketing the value of the D/ELAC to all parents of English Learners to have better participation in the future. See Goal 1, Action 2; Goal 2, Action 1 and Metric 4; Goal 3, Actions 3 and 4

CUSD Strategic LCAP Planning Committee:

May 5, 2017 LCAP information sent via email. Parent responses made no recommendations for changes and expressed satisfaction with the LCAP key actions.

Coronado Schools Foundation:

April 13, 2017 LCAP overview was presented. No recommendations for changes to the LCAP were expressed.

-General Community Feedback:

The LCAP draft #1 was posted on the CUSD website with an opportunity for the community to provide feedback.

No responses were received. Draft #2 was posted on May 31, 2017.

LOCAL Governing Board Goal 1

Identified Need

- Students must take an active role in their education.
- (For more detailed information, reference Greatest Needs and Performance Gaps, pages 4-5) Recent data shows that approximately 27% of CUSD students district-wide are underperforming in English Language Arts and 35% in mathematics based on 2016 CAASPP and MAP results. Overall, Reclassified Fluent English Proficient students, Socioeconomically Disadvantaged Students, and Students with Disabilities are not performing as high as White and Asian subgroups. Students who are socio-economically disadvantaged, students with disabilities, and students who have Two or More Races are either not performing at mastery level in English language arts or whose performance has declined, per CA School Dashboard.
 - In spring 2016, the ELA performance of Students with Disabilities was 27.9 points below level 3, and they also declined 13.7 points over spring 2015.
 - In spring 2016, the ELA performance of Socioeconomically Disadvantaged Students declined 5.8 points over spring 2015.
 - In spring 2016, the ELA performance of Students with Two or More Races declined 1.6 points over spring 2015.
- Students with Disabilities and students who are Asian are either not performing at mastery level in mathematics or whose performance has declined, per CA School Dashboard.
 - In spring 2016, the mathematics performance of Students with Disabilities was 48.1 points below level 3, and they also declined 9.2 points over spring 2015.
 - In spring 2016, the mathematics performance of Asian students declined significantly by

11.9 points over spring 2015.

- CUSD has determined the need for continued professional development for CUSD teachers to align instruction to adopted CA Standards and Frameworks.
- CUSD did not meet AMAO 3 (RFEP student achievement) in English Language Arts or Math in 2012 nor 2013. CUSD continues to be in Title III Program Improvement (due to transition to Federal Every Student Succeeds Act).
- Technology skills are vital for success in the global economy. Teachers, staff, and students must be skilled users of technology.
- 59.84% of CUSD elementary teachers report being unfamiliar with CA Visual and Performing Arts Standards (per fall 2015 survey).
- Teachers self-reported that they do not have a comfort level teaching neither discrete nor integrated arts (per fall 2015 survey).
- There continues to be approximately 40% of students who are military-connected enrolled throughout CUSD, which is the largest local subgroup. These students experience frequent transitions and parent deployments. Thus, students require significant academic, social, and emotional support.
- The winter 2017 parent survey (279 participants) on the topic of learning showed that:
 - 75% of parent responders believe (strongly agree/agree) that CUSD academic experiences challenge our learners to meet high expectations.
 - 72% of parent responders believe (strongly agree/agree) that CUSD educational programs are preparing our learners for success in the next grade level and/or college and career readiness.
 - 72% of parent responders believe (strongly agree/agree) that topics covered in our classrooms are relevant and connect content to the real world.
 - 26% of parent responders do not feel (strongly disagree/disagree) that homework is value-added and supports learning.
 - 24% of parent responders do not feel (strongly disagree/disagree) that their child's individual learning style and academic needs are being MET.
 - 21% of parent responders do not feel (strongly disagree/disagree) that teachers provide helpful, timely feedback to learners about their work.
 - Themes, concerns and questions from survey responses showed parents desire for:
 - additional opportunities desired for acceleration in elementary math
 - expansion of computer science / coding opportunities across CUSD
 - improvements in providing more consistent teacher feedback to parents/students
 - a focus on 'value-added' homework, not busy work
 - more science and art integration
 - ensuring creativity in assignments and assessments
 - Ensuring a balanced approach to education in CUSD with a 'whole child' focus.
- Metrics Below are designated (S) referring to required State Metric or (L) for Local Metric.

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
1. Implementation of standards for all students, including English Learners, will be primarily based on student achievement (SBAC), adopted instructional materials, and the content of professional development.(S)	Classroom observation data collection tool will be explored. Also, see # 4 below.	To be determined based on previous year's progress. See # 4 below.	See # 4 below.	See # 4 below.
2. All students will have standards-aligned instructional materials, as measure by annual inventory, Williams Sufficiency evaluation. Sufficiency will include device and internet access at home for digital instructional materials and learning management system access. (S)	2016-17: Williams Sufficiency was met at 100%. In 2016-17, CUSD implemented a revised process of ensuring access to device and internet at home. Approximately 43 devices were loaned to students and low cost/no cost internet was provided to 1 family.	Maintain baseline.	Maintain baseline.	Maintain baseline.
3. 100% of CUSD teachers will be appropriately credentialed and assigned. (S)	100% of teachers in 2016-17 were appropriately credentialed and assigned per internal audit.	Maintain baseline. External audit is planned.	Maintain baseline.	Maintain baseline.

ACTIONS/SERVICES

2017-18

☐ New ☒ **Modified** ☐ Unchanged

All schools will provide standards-aligned core curriculum, assessment and high quality instruction to prepare all students to graduate college and career ready.

A. CUSD will recruit and retain highly qualified appropriately credentialed teachers. Recruitment will include participation in county-wide job fairs, partnerships with local universities, and student-teacher placement coordinators. Retention of teachers will be measured by coordinated professional development with input from CUSD Department/Grade Level lead teachers and participation in BTSa.

B. Students will receive instruction that is aligned to adopted CA Content Standards and Frameworks, including TK-12 transition to Next Generation Science Standards and new

2018-19

☐ New ☒ **Modified** ☐ Unchanged

Continue as in 17-18, with emphasis on:

A. Transitions to NGSS and new HSS Framework, arts integration and STEAM integration. Administer Field Test of California Science Test (CAST) for grades 5, 8, and once in high school (TBD).

B. Implement new HSS instructional materials per CA 2018 HSS adoption and CUSD adoption process recommendations (Year 1). Consider new instructional materials for Science per 2018 State Board of Education adoption.

H. Implement necessary changes to health

2019-20

☐ New ☒ **Modified** ☐ Unchanged

Continue as in previous years, with emphasis on:

A. Transitions to NGSS and new HSS Framework, arts integration and STEAM integration. Administer Operational CAST for grades 5, 8, and once in high school (TBD).

B. Implement HSS instructional materials per 2018 HSS adoption per adoption process recommendations (Year 2).

H. Implement necessary changes to health instruction based on 17-18 evaluation.

CA History Social Science Framework.

C. Adoptions of core and supplementary instructional materials will follow established Ed Code and CUSD guidelines, Williams Law, and Governing Board policies. Adoptions of such materials will include consideration of CUSD Instructional Materials budgets, state adoption timelines, quality of available adoption materials, and will require that teachers' expertise and consultation is a significant part of the process. CUSD Instructional Materials include traditional print-based materials, manipulatives/equipment, and digital resources. A high functioning, reliable network infrastructure and devices will be maintained to support technology-based curricula and learning. Consider new instructional materials for History Social Science per 2017 State Board of Education adoption.

D. Maintain current number of electives to exceed the state average including Career Technical Education/Pathway courses, and intervention sections and supports using all available resources to ensure that students' individual needs are met. Palm Academy alternative learning program and credit recovery opportunities will be available for identified students at Coronado High School.

E. Improve performance in English language arts for grades TK-12 by:

- i. providing professional development aligned to the CA ELA/ELD Framework for all teachers and paraprofessionals
- ii. ensuring that literacy strategies are integrated with instruction for all core content areas and electives and ensuring Instruction in grades 6-12 is aligned to the CA ELA standards for History Social Science, Science, and Technical Subjects.

F. Improve performance in mathematics for grades TK-12 by:

- i. providing professional development aligned to the CA Mathematics Framework for all teachers and paraprofessionals
- ii. CUSD's *Vision for High Quality Mathematics Instruction*, and adopted curricula (grades TK-5 *Ready Common Core*; grades 6-12 *College Preparatory Math*).
- iii. implementing all components of *DoDEA*

instruction based on 17-18 evaluation.

Project Mathematics, Mindset, and Mastery (M3) through 2020, which includes evaluation of high quality mathematics instruction in grades TK-12, mathematics performance, interventions for identified students, and professional development for all teachers and paraprofessionals of math.

G. Improve performance in science for all TK-12 students by providing instruction aligned to Next Generation Science Standards. Implement Year 1 of 3-year science course sequence for incoming grade 9 students. Continue with NGSS aligned instruction for grades 6-8 (Yr. 5).

H. Improve performance in history social science for all TK-12 students by providing instruction aligned to newly adopted CA History Social Science Framework. (*Refer to CUSD Transition Plans for HSS*).

I. Improve performance in health and physical education by:

- i. ensuring all students meet physical education instructional minutes
- ii. ensuring all students pass the California Physical Fitness Test in grades 5, 7, and 9.
- iii. providing professional development for certificated and classified instructional aides, especially for grades TK-5 aligned to adopted *SPARK* curriculum.
- iv. evaluating TK-12 health standards, instructional minutes and instructional practices, and curricula.

J. Improve performance in visual and performing arts, providing both discrete and integrated arts instruction, by:

- i. fully implementing DoDEA Project Arts for Learning (Year 1), which provides for arts integration with ELA in grades K-8, and ELA/History in grades 9-12, some elementary discrete arts instruction, professional development and curriculum writing, and student performance opportunities.
- ii. evaluating the effectiveness of arts integration through its impact on student achievement in English language arts, student engagement, and attendance.
- iii. maintaining current grade 6-12 VAPA and

Coronado School of the Arts electives and extra-curricular VAPA related offerings.

Develop and implement elementary high quality grading and reporting system, based on a standards-based philosophy.

A. Train all staff on CUSD Elementary Foundations for High Quality Grading and Reporting System, developed in 2016-17 by CUSD Elementary Grading Criteria Committee with input from teacher survey. This training will include grading for students in both general and special education.

B. Each grade level team will develop common understanding of and criteria for each level of mastery (below, developing, secure, and exceeding) for key standards, especially in core content areas of mathematics and ELA. Resources will be developed to support alignment and implementation.

C. Common criteria for assessing and grading will be used by all teachers within a grade. All teachers will understand the continuum of expectations from grade to grade (vertical alignment). Resources will be developed to support alignment and implementation.

D. The CUSD Elementary Report Card will be revised and provided to parents in 2017-18 to reflect consistent

Communication: Communicate openly, freely, and accurately to engage and involve all shareholders.

State and/or Local Priorities Addressed by this goal:

STATE ☐ 1 ☐ 2 ☒ 3 ☐ 4 ☐ 5 ☐ 6 ☐ 7 ☐ 8

COE ☐ 9 ☐ 10

LOCAL Governing Board Goal 2

Identified Need

- As a preschool - adult education unified district, CUSD serves as a critically important component of our small, involved community. Clear, frequent communication via written, digital, and face-to-face methods with our shareholders is essential.
- Feedback from shareholders is essential to CUSD Strategic Local Control Accountability Planning process.
- Approximately 40% of CUSD students (2016-17 data) are military dependent, the largest

demographic subgroup in our district.

- English Learners, Initial Fluent English Proficient (IFEP), and Reclassified Fluent English Proficient (RFEP) students represent 9% of all CUSD enrollment (per fall1 2016 CALPADS 2.9), which is an increase of 21% over the previous year. This is a growing demographic in CUSD.
- The fall 2016 parent survey (373 participants) on the topic of communication showed that:
 - 90% of our parents shared that they understand our district attendance policy.
 - 84% of our parents believe that school communication with families occurs in an open and respectful manner.
 - 80% of our parents shared that they are comfortable talking with their son/daughter's teacher(s).
 - Approximately 40% do not feel that our district provides information on how parents can help or support student learning at home.
 - Approximately 30% of our parents do not believe that our district maintains open lines of communication for members of our community to ask questions and/or express concerns.
 - Approximately 30% of our parents do not feel connected to and informed about their child's experience in CUSD.
 - Themes, concerns and questions from survey responses showed parents desire for:
 - streamlining/consolidating communication tools/resources (Haiku, Naviance, Synergy, Websites, etc.) as there are many of them with little to no coherence requiring multiple passwords for parents
 - Improved consistency of use of communication tools (Haiku, email, newsletters)
 - more timely responsiveness of teachers to parents when students need intervention and/or may benefit from enrichment/acceleration
 - an increase in supports for new families (Haiku/Powerschool night, Online registration, etc.)
 - more timely communication of significant shifts to schedule, staffing, programs, etc.

LOCAL Governing Board Goal 3

Identified Need

- Students need to learn in a physically and emotionally safe learning environment.
- Teachers and staff need to teach in a physically and emotionally safe learning environment.
- Spring 2017 parent survey on support (343 participants) showed the following:
 - Identified areas of strength:
 - 93% of our parents shared (strongly agree / agree) that they believed their child's school environment is clean and in good condition.
 - 88% of our parents stated (strongly agree / agree) that their child feels safe at school.
 - 79% of our parents feel (strongly agree / agree) that adults who work at their child's school treat students respectfully.
 - Identified areas of growth:
 - 47% of parents surveyed do not feel (neither strongly agree / nor agree) that rules for student behavior at their child's school are consistently enforced.
 - 40% of parents surveyed do not believe (neither strongly agree / nor agree) that their child has an adult at school whom he/she can trust and talk to about problems.
 - 30% of parents surveyed shared (neither strongly agree / nor agree) that they were unaware of social-emotional supports available for their child at school.
 - Themes gleaned from parents' comments, questions, and concerns:
 - Improve safety procedures at Crown / ECDC
 - Address alcohol and drug use
 - Create system for new students (to CUSD) to connect with peers, programs, and adults; decrease perception of exclusivity
 - Provide training / support for students on how to navigate social media
 - Consistent enforcement of policies / set and communicate very clear expectations for student behavior

Through data-driven decision making, CUSD will provide intervention services and enrichment experiences that support the needs of all learners, especially in ELA and mathematics.

- A. Ensure each site maintains a system for multi-tiered supports based on CUSD Multitiered System of Supports (MTSS) Framework.
- B. Assess success of current site intervention services and enrichment opportunities through the lens of student growth metrics such as MAP and other available data.
- C. Provide accelerated learning experiences at all sites in core and elective content areas.
- D. Maintain use of available district interim/benchmark assessments and continue to develop them and use them formatively.
- E. Support appropriate inclusion at all schools for identified students.
- F. Implement Beyond SST, a system designed to track evidence of need and applied interventions for all students involved in Student Success/Study Team process. Beyond SST will connect to Special Education Information System (SEIS).
- G. Ensure appropriate and full use of DoDEA grant funding, LCFF Supplemental funds, Targeted Intervention Improvement Grant (TIIG), Special Education and other funds to meet the needs of identified students.
- H. Provide training and access for teachers and related staff on academic data systems such as the CA School Dashboard, MMARS, CAASPP, NWEA MAP, SEIS, Beyond SST, and other data resources.

Key actions will be based on evaluation of MTSS for each site and district-wide. Use of LCFF Supplemental Funds will support unduplicated populations and their needs.

Provide appropriate social/emotional supports for students and staff in a variety of ways in a continuum of services ranging from guidance counseling to clinical counseling.

A. Clinical Counselors and Educational Related Mental Health (ERMHS) Counselors will provide classroom/staff presentations, individual counseling, walk-in counseling, risk management services, parent consultation, and group counseling. They will review ongoing data collection from these programs to provide formative analysis of student social emotional needs across the district. Due to this analysis, data driven decisions will be made ensuring the appropriateness of support. A Risk Management Team (RTM) for each site will be identified at the beginning of each school year, and a continuum of counseling services and supports will be followed for each site. The RTM will follow the continuum of counseling services to provide student support.

B. The Director of Student Services will lead the collaboration with District academic counselors, clinical counselors, and ERMHS; and will coordinate the support services of CUSD School Liaison Officer for Navy Region Southwest, CUSD Military Life Consultants (MFLCs), Coronado SAFE, and CUSD School Resource Officer from the

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

The total amount of LCFF Supplemental funds for 2017-18 is \$400,000, principally directed for supporting English learners, RFEP students, and low income, homeless, and foster youth. Supporting the needs of EL/RFEP and all below proficient students, which include low income students (and homeless and foster youth, if enrolled) are the primary populations to target to close achievement gaps in the District, identified through District strategic planning and Federal Title III accountability (we remain in Title III Program Improvement for AMAO 3 relating to achievement of RFEP students until federal ESSA requirements are final). Our military population is our largest demographic population, though not recognized by the CDE as a subgroup at present; EL/RFEP and low income students are a part of the military demographic. CUSD receives minimal supplemental income from Federal Impact Aid and Department of Defense Education Activity grants to support military-dependent students' academic needs. However, the LCFF base funding does not provide for the robust system of interventions needed in CUSD schools. The LCAP Supplemental dollars are much-valued resource to support the District's vision of personalized learning for all and a strong multi-tiered system of supports for identified students, now a consistent resource of funding to increase services, and the quality of services by training staff. LCFF Supplemental Funds will support:

- English Language Resource Teachers 2.03% FTE to provide daily English Language Development instruction to English Learners.
- Professional development on ELA/ELD standards and adopted District ELA/ELD curricula.
- .5 FTE Teacher on Special Assignment for Mathematics to support all schools, particularly identified students who are not meeting grade level standards in mathematics.
- Academic Support and Enrichment and/or other District intervention services.
- Instructional materials/curricula to support identified unduplicated students' needs.
