The compliance officer who receives a complaint may assign another compliance officer to investigate and resolve the complaint. The compliance officer shall promptly notify the complainant and respondent, if applicable, if another compliance officer is assigned to the complaint.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

(cf. 4331 - Staff Development)

(cf. 9124 - Attorney)

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the result of an investigation. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures. The interim measures shall remain in place until the compliance officer determines that they are no longer necessary or until the district issues its final written decision, whichever occurs first.

Notifications

The district's UCP policy and administrative regulation shall be posted in all district schools and offices, including staff lounges and student government meeting rooms. (Education Code 234.1)

The Superintendent or designee shall annually provide written notification of the district's UCP, including information regarding unlawful student fees, local control and accountability plan (LCAP) requirements, and requirements related to the educational rights of foster youth, homeless students, and former juvenile court school students to students, employees, parents/guardians, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties. (Education Code 262.3, 48853, 48853.5, 49013, 49069.5, 51225.1, 51225.2, 52075; 5 CCR 4622)

(cf. 6173 - Education for Homeless Children)
(cf. 6173.1 - Education for Foster Youth)
(cf. 6173.3 - Education for Juvenile Court School Students)

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the district web site and may be provided through district-supported social media, if available.

(cf. 1113 - District and School Web Sites)
(cf. 1114 - District-Sponsored Social Media)

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints
2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal antidiscrimination laws, if applicable
3. Advise the complainant of the appeal process, including, if applicable, the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies, such as the U.S. Department of Education's Office for Civil Rights (OCR) in cases involving unlawful discrimination (such as discriminatory harassment, intimidation, or bullying).
4. Include statements that:
 - a. The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs.
 - b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.
 - c. A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of

the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.

d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.

e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

f. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

g. The Board is required to adopt and annually update the LCAP in a manner that includes meaningful engagement of parents/guardians, students, and other stakeholders in the development and/or review of the LCAP.

h. A foster youth shall receive information about educational rights related to his/her educational placement, enrollment in and checkout from school, as well as the responsibilities of the district liaison for foster youth to ensure and facilitate these requirements and to assist the student in ensuring proper transfer of his/her credits, records, and grades when he/she transfers between schools or between the district and another district.

i. A foster youth, homeless student, or former juvenile court school student who transfers into a district high school or between district high schools as applicable shall be notified of the district's responsibility to:

(1) Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed

(2) Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency

(3) If the student has completed his/her second year of high school before the transfer, provide the student information about district-adopted coursework and Board-imposed graduation requirements from which he/she may be exempted pursuant to Education Code

51225.1

j. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 calendar days of receiving the district's decision.

In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with the CDE in the same manner as the complainant, if he/she is dissatisfied with the district's decision.

k. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

l. Copies of the district's UCP are available free of charge.

District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's

refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may

be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
 - a. Statements made by any witnesses
 - b. The relative credibility of the individuals involved
 - c. How the complaining individual reacted to the incident
 - d. Any documentary or other evidence relating to the alleged conduct
 - e. Past instances of similar conduct by any alleged offenders
 - f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. How the misconduct affected one or more students' education
- b. The type, frequency, and duration of the misconduct

- c. The relationship between the alleged victim(s) and offender(s)
 - d. The number of persons engaged in the conduct and at whom the conduct was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different individuals
5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

- 1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)
- 2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
- 3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team

6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law

7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision may file an appeal in writing with the CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the district's final written decision, he/she, in the same manner as the complainant, may file an appeal with the CDE.

The complainant or respondent shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant or respondent has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint

2. A copy of the written decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's uniform complaint procedures
7. Other relevant information requested by the CDE

12. Any other complaint as specified in a district policy

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. 10. Timeline for providing written notice to the Superintendent if the Board does not wish to enter into a new contract, which shall be at least 45 calendar days in advance of the expiration of the term of the contract pursuant to Education Code 35031, and the responsibility of the Superintendent to remind the Board in writing and in a timely manner of the requirement to give notice

(cf. 4117.5/4217.5/4317.5 - Termination Agreements)

In such an event, any cash settlement that the Superintendent may receive upon termination of the contract shall not exceed his/her monthly salary multiplied by the number of months left on the contract or, if the unexpired term of the contract is more than 18 months and the contract was executed prior to January 1, 2016, no greater than the Superintendent's monthly salary multiplied by 18. For any contract executed on or after January 1, 2016, any cash settlement shall not exceed the Superintendent's monthly salary multiplied by 12. (Government Code 53260)

settlement of any amount shall be provided. (Government Code 53260)

In addition, if the Superintendent is convicted of a crime involving an abuse of his/her office or position, he/she shall reimburse the district for payments he/she receives as paid leave salary pending investigation or as cash settlement upon his/her termination, and for any funds expended by the district in his/her defense against a crime involving his/her office or position. Payments for Meals

With the exception of students who are eligible to receive meals at no cost, students may pay on a per-meal basis or may submit payments in advance. The Superintendent or designee shall maintain a system for accurately recording payments received and tracking meals provided to each student.

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 3552 - Summer Meal Program)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 3555 - Nutrition Program Compliance)

At the beginning of the school year, and whenever a student enrolls during the school year, parents/guardians shall be notified of the district's meal payment policies and be encouraged to prepay for meals whenever possible. The Superintendent or designee shall communicate the district's meal payment policies through multiple methods, including, but not limited to:

1. Explaining the meal charge policy within registration materials provided to parents/guardians at the start of the school year
2. Including the policy in print versions of student handbooks, if provided to parents/guardians annually
3. Providing the policy whenever parents/guardians are notified regarding the application process for free and reduced-price meals, such as in the distribution of applications at the start of the school year
4. Posting the policy on the district's web site
5. Establishing a system to notify parents/guardians when a student's meal payment account has a low or negative balance

(cf. 1113 - District and School Web Sites)

(cf. 5145.6 - Parental Notifications)

In any school that uses a system of meal tickets or other similar medium of exchange rather than an electronic point-of-sale system, the Superintendent or designee shall develop a process for

providing replacement tickets to any student who reports his/her tickets as lost or stolen. However, whenever any student reports an excessive number of lost or stolen tickets, the Superintendent or designee shall notify the parent/guardian and may provide an alternative method of tracking meal usage for that student.

In order to avoid potential misuse of a student's food service account by someone other than the student in whose name the account has been established, the Superintendent or designee shall verify a student's identity when setting up the account and when charging any meal to the account. The Superintendent or designee shall investigate any claim that a bill does not belong to a student or is inaccurate, shall not require a student to pay a bill that appears to be the result of identity theft.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

Any payments made to a student's food service account shall, if not used within the school year, be carried over into the next school year or be refunded to the student's parents/guardians.

Unpaid and Delinquent Meal Charges

Students and their parents/guardians shall be notified whenever their account has a low or negative balance. Whenever a student's account has an unpaid balance of \$3 or more, parents/guardians shall be notified in writing that full payment is due within seven school days from the date of the notice.

In cases of repeated nonpayment by a student, the Superintendent or designee may contact parents/guardians to discuss the reasons for the nonpayment. The Superintendent or designee may evaluate individual circumstances to determine if the student's parents/guardians need assistance completing an application for free or reduced-price meals or need referral to social services.

The Superintendent or designee may enter into a repayment plan with a student's parents/guardians for payment of the student's unpaid meal charge balance over a period of time. As necessary, the repayment plan may allow the unrecovered or delinquent debt to carry over into the next fiscal year.

The district's efforts to collect debt shall be consistent with district policies and procedures, California Department of Education (CDE) guidance, and 2 CFR 200.426. The district shall not spend more than the actual debt owed in efforts to recover unpaid meal charges.

The Superintendent or designee shall maintain records of the efforts made to collect unpaid meal charges and, if applicable, financial documentation showing when the unpaid meal balance has become an operating loss.

Reimbursement Claims

The Superintendent or designee shall maintain records of the number of meals served each day by school site and by category of free, reduced-price, and full-price meals. The Superintendent or designee shall submit reimbursement claims for school meals to the CDE using the online Child Nutrition Information and Payment System.

Cafeteria Fund

All proceeds from food sales and other services offered by the cafeteria shall be deposited in the cafeteria fund as provided by law. The income and expenditures of any cafeteria revolving account established by the Governing Board shall be recorded as income and expenditures of the cafeteria fund. (Education Code 38090, 38091)

(cf. 3100 - Budget)

(cf. 3300 - Expenditures and Purchases)

The cafeteria fund shall be used only for those expenditures authorized by the Board as necessary for the operation of school cafeterias in accordance with Education Code 38100-38103, 2 CFR Part 200 Appendix VII, and the California School Accounting Manual.

Any charges to, or transfers from, a food service program shall be dated and accompanied by a written explanation of the expenditure's purpose and basis. (Education Code 38101)

(cf. 3110 - Transfer of Funds)

Indirect costs charged to the food service program shall be based on either the district's prior year indirect cost rate or the statewide average approved indirect cost rate for the second prior fiscal year, whichever is less. (Education Code 38101)

Net cash resources in the nonprofit school food service shall not exceed three months average expenditures. (2 CFR 220.14)

U.S. Department of Agriculture Foods

The Superintendent or designee shall ensure that foods received through the U.S. Department of Agriculture (USDA) are handled, stored, and distributed in facilities which: (7 CFR 250.14)

1. Are sanitary and free from rodent, bird, insect, and other animal infestation
2. Safeguard foods against theft, spoilage, and other loss
3. Maintain foods at proper storage temperatures
4. Store foods off the floor in a manner to allow for adequate ventilation

5. Take other protective measures as may be necessary

The Superintendent or designee shall maintain inventories of USDA foods in accordance with 7 CFR 250.59 and CDE procedures, and shall ensure that foods are used before their expiration dates.

USDA donated foods shall be used in school lunches as far as practicable. USDA foods also may be used in other nonprofit food service activities, including, but not limited to, school breakfasts or other meals, a la carte foods sold to students, meals served to adults directly involved in the operation and administration of the food service and to other school staff, and training in nutrition, health, food service, or general home economics instruction for students, provided that any revenues from such activities accrue to the district's nonprofit food service account. Board Policy
Bullying

BP 5131.2
Students

BOARD POLICY 5131.2: BULLYING PREVENTION

I. Introduction

The Governing Board affirms that every student and staff member has the right to a safe and secure school environment, free of humiliation, intimidation, fear, harassment, or any form of bullying behavior. Furthermore, the Board believes that a healthy, positive psychosocial school environment enhances and increases academic achievement and pro-social development and therefore the prevention, reduction, elimination, and effective disposition of bullying are fundamental to educational goals. The District, students, families, and staff have an obligation to create an environment that celebrates and respects diversity and human dignity and admonishes bullying behavior. To this end, the District has in place policies, procedures, and practices that are designed to reduce and eliminate bullying and harassment as well as address incidents of bullying and harassment when they occur.

II. Applicability

This policy applies to all the District's students. This policy applies to all acts related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the Coronado Unified School District. (Educ. Code§ 234.1(a).)

This policy also reminds school personnel of their obligation to intervene when safe to do so as required by Education Code Section 234.1 (b)(1). (See Section VI below.)

III. Definitions

- A. "Bullying" means any severe or pervasive physical or verbal act of conduct, including communication made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils as defined in Section 4899.2, 48900.3, or 48900.4, directed toward one or more pupils that has or can be reasonably predicted to have the effect of one or more of the following:
- (a) Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupils' person or property.
 - (b) Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
 - (c) Causing a reasonable pupil to experience substantial interference with his or her academic performance.
 - (d) Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

Adoption History:
Adopted: 07/17/2017

- B. "Electronic act" means the transmission of a communication, including, but not limited to, a message, text, sound, or image, or a post on a social network Internet Website, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, or computer.
- C. "Reasonable pupil" means a pupil, including, but not limited to, an exceptional needs pupil, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with his or her exceptional needs.
- D. Cyberbullying includes the transmission of communications, posting of harassing messages, direct threats, or other harmful texts, sounds, or images on the Internet, social networking sites, or other-digital technologies using a telephone, computer, or any wireless communication device, camera, computer, or pager. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

IV. Prohibition Against Bullying

The District will not tolerate bullying as defined in this policy - or any behavior that infringes on the safety or well-being of students, staff, or any other persons within the District's jurisdiction, whether directed at an individual or group. This includes, but is not limited to, discrimination, harassment, intimidation, and bullying based on the actual or perceived characteristics set forth in Penal Code Section 422.55 and Education Code Section 220, and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. (Educ. Code § § 234.1(a); 48900(r).) [cf. Board Policy 5145.3 (Nondiscrimination in District Programs and Activities) and Board Policy 5145.7 (Sexual Harassment of Students)]

In addition, the District prohibits retaliation against complainants.

V. Free Speech Protection

This policy shall not be construed to limit pupil rights to free speech as protected by the United States Constitution, the California Constitution, Education Code Sections 48907 and 48950, and other applicable law.

VI. Duties and Responsibilities of School Employees

School staff who witness discrimination, harassment, intimidation, or bullying shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

VII. Reporting and Investigating Complaints; Complaint Officer

Any employee who has knowledge of discrimination, harassment, intimidation, or bullying shall inform the site administrator of the concern as soon as possible. The site administrator shall notify the District's Nondiscrimination Officer within 24 hours. Students who have knowledge of discrimination, harassment, intimidation, or bullying are encouraged to inform a teacher or school administrator as soon as possible. Students and parents may make such complaints anonymously by calling the Nondiscrimination Officer at the number below. Anonymous reports must provide sufficient corroborating evidence to justify the commencement of an investigation. Because of the inability of investigators to interview anonymous complainants, it may be more difficult to evaluate the allegations and, therefore, less likely to cause an investigation to be initiated.

When a student is reported to be engaging in bullying off campus; the District's Nondiscrimination Officer or designee shall investigate and document the activity and shall identify specific facts or circumstances that explain the impact or potential impact on school activity, school attendance, or the targeted student's educational performance.

When circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages sent to them that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated.

If the student is using a social networking site or service that has terms of use that prohibit posting of harmful material, the District's Nondiscrimination Officer or designee also may file a complaint with the Internet site or service to have the material removed.

Formal complaints regarding violations of this policy shall be made pursuant to the District's Uniform Complaint Procedure, Board Policy/Administrative Regulation 1312.3.

The District's Nondiscrimination Officer is:

Director of Student Services

201 Sixth Street

Coronado, CA 92118

(619) 522-8900 x 1032

The Nondiscrimination Officer is responsible for ensuring the District's compliance with nondiscrimination laws impacting California public school districts. The Nondiscrimination Officer shall notify the parents of the reported victim and the alleged perpetrator of the complaint, and, if appropriate, law enforcement officials. The

Nondiscrimination Officer shall maintain documentation of complaints and their resolution for a minimum of one CPM review cycle. (Educ. Code§ 234.1(e).)

VIII. Confidentiality

The identity of a complainant alleging discrimination, harassment, intimidation, or bullying shall remain confidential as appropriate within the dual contexts of the District's legal obligation to ensure a learning environment free from discrimination, harassment, intimidation and bullying, and the right of the accused to be informed of the allegations. Some level of disclosure may be necessary to ensure a complete and fair investigation, although the District will comply with requests for confidentiality to the extent possible.

IX. Disciplinary Consequences

Any student who engages in bullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline, which may include suspension or expulsion, in accordance with District policies and regulations.

X. Counseling Referrals

The Superintendent, the principal of a school, or the principal's designee may refer a victim of bullying, witness to bullying, other pupil affected by an act of bullying, or a student engaged in an act of bullying to the school counselor, school psychologist, social worker, school nurse, or other school support service personnel for case management, counseling, and participation in a restorative justice program, as appropriate.

XI. Notifications

The District shall publicize this policy, including information about the manner in which to file a complaint, to pupils, parents, employees, agents of the governing board and the general public. The information shall be translated pursuant to education Code Section 48985. This policy shall be posted in all schools and offices, including staff lounges and pupil government meeting rooms. (Educ. Code§ 234.1(c) and (d).)

To the extent possible, District and school strategies shall focus on prevention of bullying by establishing clear rules for student conduct and strategies to establish a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of District and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for perpetrators of bullying.

XII. Anti-Bullying Education; Training for Educators

The District has an affirmative obligation to combat racism, sexism, and other forms of bias, and a responsibility to provide equal educational opportunity. The District shall undertake educational activities to prevent bullying and counter discriminatory incidents that impact the school environment, and, within constitutional bounds, to minimize and eliminate a hostile environment on school grounds that impairs the access of pupils to equal educational opportunity. (Educ. Code§ 201(g).)

As part of its Educational Technology plan and Acceptable/Responsible Use Policy, the District educates pupils about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. (Board Policy/Administrative Regulation 6162.7.) The District also educates pupils and teachers on the appropriate and ethical use of information technology in the classroom and Internet safety.

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti

(cf. 5131.5 - Vandalism and Graffiti)

2. Providing training to students, staff, and parents/guardians about how to recognize

unlawful discrimination, how to report it or file a complaint, and how to respond

3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination

4. Consistent with the laws regarding the confidentiality of student and personnel records, communicating the school's response to students, parents/guardians, and the community

(cf. 5125 - Student Records)

5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have filed a complaint of discrimination that he/she knew was not true

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

Process for Initiating and Responding to Complaints

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, any student who observes any such incident is strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination

and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity
2. Disciplining or disparaging a student or excluding him/her from participating in activities for behavior or appearance that is consistent with his/her gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable

3. Blocking a student's entry to the bathroom that corresponds to his/her gender identity
4. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. Right to privacy: A student's transgender or gender-nonconforming status is his/her private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to his/her parents/guardians and/or others, including other

students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

2. Determining a Student's Gender Identity: The compliance officer shall accept the student's assertion of his/her gender identity and begin to treat the student consistent with his/her gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, his/her parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action could be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)
(cf. 7110 - Facilities Master Plan)

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.

(cf. 5125 - Student Records)
(cf. 5125.1 - Release of Directory Information)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.

(cf. 5132 - Dress Code)

Administrative Regulation

Athletic Competition

AR 6145.2

Instruction

Nondiscrimination and Equivalent Opportunities in the Athletic Program

No student shall be excluded from participation in, be denied the benefits of, be denied equivalent opportunity in, or otherwise be discriminated against in interscholastic, intramural, or club athletics on the basis of actual or perceived sex, sexual orientation, gender, gender identity, gender expression, ethnic group identification, race, ancestry, national origin, religion, color, mental or physical disability, or any other basis specified in law. (Education Code 220, 221.5, 230; 5 CCR 4920; 34 CFR 106.41)

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5145.3 - Nondiscrimination/Harassment)

The Superintendent or designee may provide single-sex teams when selection for the teams is based on competitive skills. (5 CCR 4921; 34 CFR 106.41)

Each student shall be allowed to participate in any single-sex athletic program or activity consistent with his/her gender identity and for which he/she is otherwise eligible to participate, irrespective of the gender listed on the student's records. (Education Code 221.5)

(cf. 5125 - Student Records)

When a school provides only one team in a particular sport for members of one sex, but provides no team in the same sport for members of the other sex, and athletic opportunities in the total program for that sex have been previously limited, members of the excluded sex shall be allowed to try out and compete with the team. The same standards for eligibility shall be applied to every student trying out for the team, regardless of sex, sexual orientation, gender, gender identity, gender expression, or other protected group status. (5 CCR 4921; 34 CFR 106.41)

The Superintendent or designee shall ensure that equivalent opportunities are available to both sexes in athletic programs by considering, among other factors: (5 CCR 4922; 34 CFR 106.41)

1. Whether the offered selection of sports and levels of competition effectively accommodate the interests and abilities of both sexes

The athletic program may be found to effectively accommodate the interests and abilities of both sexes using any one of the following tests: (Education Code 230)

- a. Whether the interscholastic-level participation opportunities for male and female students are provided in numbers substantially proportionate to their respective enrollments
 - b. Where the members of one sex have been and are underrepresented among interscholastic athletes, whether the district can show a history and a continuing practice of program expansion that is demonstrably responsive to the developing interests and abilities of the members of that sex
 - c. Where the members of one sex are underrepresented among interscholastic athletes and the district cannot show a history and continuing practice of program expansion as required in item #1b above, whether the district can demonstrate that the interests and abilities of the members of that sex have been fully and effectively accommodated by the present program
2. The provision and maintenance of equipment and supplies
 3. Scheduling of games and practice times, selection of the season for a sport, and location of the games and practices
 4. Travel and per diem allowances
 5. Opportunities to receive coaching and academic tutoring
 6. Assignment and compensation of coaches and tutors
 7. Provision of locker rooms, practice facilities, and competitive facilities
 8. Provision of medical and training facilities and services
 9. Provision of housing and dining facilities and services
 10. Publicity
 11. Provision of necessary funds

Each school that offers competitive athletics shall, at the end of the school year, post on its school web site, or on the district web site if the school does not have a web site, the following information: (Education Code 221.9)

1. The total enrollment of the school, classified by gender
2. The number of students enrolled at the school who participate in competitive athletics, classified by gender
3. The number of boys' and girls' teams, classified by sport and by competition level

(cf. 1113 - District and School Web Sites)

The data reported for items #1-3 above shall reflect the total number of players on a team roster on the official first day of competition. The materials used to compile this information shall be retained by the school for at least three years after the information is posted on the web site. (Education Code 221.9)

(cf. 3580 - District Records)

Concussions and Head Injuries

The Superintendent or designee shall annually distribute to student athletes and their parents/guardians an information sheet on concussions and head injuries. The student and parent/guardian shall sign and return the information sheet before the student's initiating practice or competition. (Education Code 49475)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall provide training to coaches and/or athletic trainers regarding concussion symptoms, prevention, and appropriate response. (Education Code 35179.1, 49032)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

If a student athlete is suspected of sustaining a concussion or head injury in an athletic activity, he/she shall be immediately removed from the activity for the remainder of the day. The student shall not be permitted to return to the activity until he/she is evaluated by a licensed health care provider trained in the management of concussions and receives the health care provider's written clearance to return to the activity. If the health care provider determines that the athlete sustained a concussion or a head injury, the athlete shall also complete a graduated return-to-play protocol of no less than seven days in duration under the supervision of a licensed health care provider. (Education Code 49475)

A middle school or high school football team shall not hold a full-contact practice during the off-season and shall not conduct more than two full-contact practices per week during the preseason and regular season (from 30 days before the commencement of the regular season until the completion of the final interscholastic football game of that season). In addition, the full-contact portion of a practice shall not exceed 90 minutes in any single day. For these purposes, full-contact practice means a practice where drills or live action is conducted that involves collisions at game speed, where players execute tackles and other activity that is typical of an actual tackle football game. (Education Code 35179.5)

Sudden Cardiac Arrest

The Superintendent or designee shall distribute the California Interscholastic Federation (CIF) information sheet on sudden cardiac arrest to all student athletes who will be participating in a

CIF-governed athletic activity and to their parents/guardians. The student and parent/guardian shall sign and return the information sheet prior to the student's participation in the athletic activity. If an athletic activity is not covered by the CIF, the student and his/her parent/guardian shall, prior to participating in the athletic activity, sign and return an acknowledgement that they have received and reviewed the sudden cardiac arrest information posted on the California Department of Education's web site. (Education Code 33479.2, 33479.3)

The Superintendent or designee shall provide training to coaches and/or athletic trainers regarding the nature and warning signs of sudden cardiac arrest. (Education Code 33479.6, 33479.7, 35179.1, 49032)

If a student athlete passes out or faints, or is known to have passed out or fainted, while participating in or immediately following his/her participation in an athletic activity, the student shall be removed from participation at that time. If a student exhibits any other symptoms of sudden cardiac arrest, including seizures during exercise, unexplained shortness of breath, chest pains, dizziness, racing heart rate, or extreme fatigue, he/she may be removed from participation by a coach or other employee who observes these symptoms. If any such symptoms are observed, notification shall be given to the student's parent/guardian so that the parent/guardian can determine the treatment, if any, the student should seek. A student who has been removed from participation shall not be permitted to return until he/she is evaluated and given written clearance to return to participation by a health care provider. (Education Code 33479.2, 33479.5)

Additional Parental Notifications

Before a student participates in interscholastic athletic activities, the Superintendent or designee shall, in addition to providing his/her parents/guardians with information on the signs and symptoms of concussions and sudden cardiac arrest as described above, send a notice to the student's parents/guardians which:

1. Contains information about the procedures for filing a discrimination complaint that arises out of an interscholastic athletic activity, including the name of the district's Title IX Coordinator

(cf. 1312.3 - Uniform Complaint Procedures)

2. Includes a copy of students' Title IX rights pursuant to Education Code 221.8

3. Explains that there is an element of risk associated with all athletic competitions and that the district cannot guarantee that students will not be injured, despite a commitment to every participant's health and welfare

(cf. 3530 - Risk Management/Insurance)

4. Provides information about insurance protection pursuant to Education Code 32221.5

(cf. 5143 - Insurance)

5. Requests parental permission for the student to participate in the program and, if appropriate, be transported by the district to and from competitions

(cf. 3541.1 - Transportation for School-Related Trips)

6. States the district's expectation that students adhere strictly to all safety rules, regulations, and instructions, as well as rules and guidelines related to conduct and sportsmanship

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Board Policy

Facilities

BP 7214

GENERAL OBLIGATION BONDS

The Governing Board recognizes that school facilities are an essential component of the educational program and that the Board has a responsibility to ensure that the district's facilities needs are met in the most cost-effective manner possible. When the Board determines that it is in the best interest of district students, it may order an election on the question of whether bonds shall be issued to pay for school facilities.

(cf. 1160 - Political Processes)
(cf. 7110 - Facilities Master Plan)
(cf. 7210 - Facilities Financing)

The Board's decision to order a bond election, as well as its determinations regarding the appropriate amount, timing, and structure of the bond issuance, shall be consistent with law and the district's debt management policy.

(cf. 3470 - Debt Issuance and Management)

Before ordering a bond election, the Board shall obtain reasonable and informed projections of assessed valuations that take into consideration projections of assessed property valuations made by the county assessor. (Education Code 15100)

When any project to be funded by bonds will require state matching funds for any phase of the project, the ballot for the bond measure shall include a statement as specified in Education Code 15122.5, advising voters that, because the project is subject to approval of state matching funds, passage of the bond measure is not a guarantee that the project will be completed. (Education Code 15122.5)

Bonds Requiring 55 Percent Approval by Local Voters

The Board may decide to pursue the authorization and issuance of bonds by approval of 55 percent majority of the voters pursuant to Article 13A, Section 1(b)(3) and Article 16, Section 18(b) of the California Constitution. If two-thirds of the Board agrees to such an election, the Board shall vote to adopt a resolution to incur bonded indebtedness if approved by a 55 percent majority of the voters. (Education Code 15266)

(cf. 9323.2 - Actions by the Board)

The bond election may only be ordered at a primary or general election, a statewide special election, or a regularly scheduled local election at which all of the electors of the district are entitled to vote. (Education Code 15266)

Bonded indebtedness incurred by the district shall be used only for the following purposes:
(California Constitution Article 13A, Section 1(b)(3) and 1(b)(3)(A))

1. The construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities
2. The acquisition or lease of real property for school facilities
3. The refunding of any outstanding debt issuance used for the purposes specified in items #1-2 above

The proposition approved by the voters shall include the following accountability requirements:
(California Constitution Article 13A, Section 1(b)(3))

1. Certification that proceeds from the sale of the bonds will be used only for the purposes specified in items #1-2 above, and not for any other purposes including teacher and administrative salaries and other school operating expenses
2. A list of specific school facilities projects to be funded and certification that the Board has evaluated safety, class size reduction, and information technology needs in developing that list

(cf. 0440 - District Technology Plan)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 6151 - Class Size)

3. A requirement that the Board conduct an annual, independent performance audit to ensure that the funds have been expended only on the specific projects listed
4. A requirement that the Board conduct an annual, independent financial audit of the proceeds from the sale of the bonds until all of those proceeds have been expended for the school facilities projects

If a district general obligation bond requiring a 55 percent majority is approved by the voters, the Board shall appoint an independent citizens' oversight committee to inform the public concerning the expenditure of bond revenues as specified in Education Code 15278 and the accompanying administrative regulation. This committee shall be appointed within 60 days of the date that the Board enters the election results in its minutes pursuant to Education Code 15274. (Education Code 15278)

(cf. 1220 - Citizen Advisory Committees)
(cf. 9324 - Minutes and Recordings)

The Superintendent or designee shall ensure that the annual, independent performance and financial audits required pursuant to items #3-4 above are issued in accordance with the U.S.

Comptroller General's Government Auditing Standards and submitted to the citizens' oversight committee at the same time they are submitted to him/her and no later than March 31 of each year. (Education Code 15286)

The Board shall provide the citizens' oversight committee with responses to all findings, recommendations, and concerns addressed in the performance and financial audits within three months of receiving the audits. (Education Code 15280)

The Board may disband the citizens' oversight committee when the committee has completed its review of the final performance and financial audits.

Bonds Requiring 66.67 Percent Approval by Local Voters

The Board may decide to pursue the authorization and issuance of bonds by approval of 66.67 percent majority of the voters pursuant to Education Code 15100 and Article 13A, Section 1(b)(2) of the California Constitution. If a majority of the Board agrees to such an election, or upon a petition of the majority of the qualified electors residing in the district, the Board shall adopt a resolution ordering an election on the question of whether to incur bonded indebtedness if approved by a 66.67 percent majority of the voters. (Education Code 15100)

The bond election may be ordered to occur on any Tuesday, except a Tuesday that is a state holiday or the day before or after a state holiday, is within 45 days before or after a statewide election unless conducted at the same time as the statewide election, or is an established election date pursuant to Elections Code 1000 or 1500. (Education Code 15101)

Subject to limits specified in Article 13A, Section 1 of the California Constitution, bonds shall be sold to raise money for any of the following purposes: (Education Code 15100)

1. Purchasing school lots
2. Building or purchasing school buildings
3. Making alterations or additions to school building(s) other than as may be necessary for current maintenance, operation, or repairs
4. Repairing, restoring, or rebuilding any school building damaged, injured, or destroyed by fire or other public calamity
5. Supplying school buildings and grounds with furniture, equipment, or necessary apparatus of a permanent nature
6. Permanently improving school grounds
7. Refunding any outstanding valid indebtedness of the district, evidenced by bonds or state school building aid loans

8. Carrying out sewer or drain projects or purposes authorized in Education Code 17577
9. Purchasing school buses with a useful life of at least 20 years
10. Demolishing or razing any school building with the intent to replace it with another school building, whether in the same location or in any other location

Except for refunding any outstanding indebtedness, any of the purposes listed above may be united and voted upon as a single proposition by an order of the Board entered into the minutes. (Education Code 15100)

The Board may appoint a citizens' oversight committee to review and report to the Board and the public as to whether the expenditure of bond revenues complies with the intended purposes of the bond.

Certificate of Results

If the certificate of election results received by the Board shows that the appropriate majority of the voters is in favor of issuing the bonds, the Board shall record that fact in its minutes. The Board shall then certify to the County Board of Supervisors all proceedings it had in connection with the election results. (Education Code 15124, 15274)

Resolutions Regarding Sale of Bonds

Following passage of the bond measure by the appropriate majority of voters, the Board shall pass a resolution directing the issuance and sale of bonds. In accordance with law, the resolution shall prescribe the total amount of bonds to be sold and may also prescribe the maximum acceptable interest rate, not to exceed eight percent, and the time(s) when the whole or any part of the principal of the bonds shall be payable. (Education Code 15140; Government Code 53508.6)

In passing the resolution, the Board shall consider each available funding instrument, including, but not limited to, the costs associated with each and their relative suitability for the project to be financed.

Prior to the sale of bonds, the Board shall place an agenda item at a public meeting and adopt as part of the bond issuance resolution, or in a separate resolution, disclosures of the available funding instruments, the costs and sustainability of each, and all of the following information: (Education Code 15146; Government Code 53508.9)

1. Express approval of the method of sale (i.e., competitive, negotiated, or hybrid)
2. Statement of the reasons for the method of sale selected
3. Disclosure of the identity of the bond counsel, and the identities of the bond underwriter and the financial adviser if either or both are utilized for the sale, unless these individuals

have not been selected at the time the resolution is adopted, in which case the Board shall disclose their identities at the public meeting occurring after they have been selected

4. Estimates of the costs associated with the bond issuance, including, but not limited to, bond counsel and financial advisor fees, printing costs, rating agency fees, underwriting fees, and other miscellaneous costs and expenses of issuing the bonds

When the sale involves bonds that allow for the compounding of interest, such as a capital appreciation bond (CAB), the resolution to be adopted by the Board shall include items #1-4 above as well as the financing term and time of maturity, repayment ratio, and the estimated change in the assessed value of taxable property within the district over the term of the bonds. The resolution shall be publicly noticed on at least two consecutive meeting agendas, first as an information item and second as an action item. The agendas shall identify that bonds that allow for the compounding of interest are proposed. (Education Code 15146)

Prior to adopting a resolution for the sale of bonds that allow for the compounding of interest, the Board shall be presented with the following: (Education Code 15146)

1. An analysis containing the total overall cost of the bonds that allow for the compounding of interest
2. A comparison to the overall cost of current interest bonds
3. The reason bonds that allow for the compounding of interest are being recommended
4. A copy of the disclosure made by the underwriter in compliance with Rule G-17 adopted by the federal Municipal Securities Rulemaking Board

At least 30 days prior to the sale of any debt issue, the Superintendent or designee shall submit a report of the proposed issuance to the California Debt and Investment Advisory Commission (CDIAC). (Government Code 8855)

After the sale, the Board shall be presented with the actual issuance cost information and shall disclose that information at the Board's next scheduled meeting. The Board shall ensure that an itemized summary of the costs of the bond sale and all necessary information and reports regarding the sale are submitted to the CDAIC. (Education Code 15146; Government Code 53509.5)

Bond Anticipation Notes

Whenever the Board determines that it is in the best interest of the district, it may, by resolution, issue a bond anticipation note, on a negotiated or competitive-bid basis, to raise funds that shall be used only for a purpose authorized by a bond that has been approved by the voters of the district in accordance with law. (Education Code 15150)

Payment of principal and interest on any bond anticipation note shall be made at note maturity, not to exceed five years, from the proceeds derived from the sale of the bond in anticipation of which that note was originally issued or from any other source lawfully available for that purpose, including state grants. Interest payments may also be made from such sources. However, interest payments may be made periodically and prior to note maturity from an increased property tax if the following conditions are met: (Education Code 15150)

1. A resolution of the Board authorizes the property tax for that purpose.
2. The principal amount of the bond anticipation note does not exceed the remaining principal amount of the authorized but unissued bonds.

A bond anticipation note may be issued only if the tax rate levied to pay interest on the note would not cause the district to exceed the tax rate limitation set forth in Education Code 15268 or 15270, as applicable.

Deposit of Bond Proceeds

With regard to general obligation bonds, the district shall invest new money bond proceeds in the county treasury pool as required by law. (Education Code 15146)
